

# Jinyun Water Well Drilling Rig Quote List

What types of drilling rigs does YG supply?

According to drilling depth, opening hole diameter, and applying site, YG supplies many different types of drilling rigs, such as water well drilling rigs, DTH drilling rigs, mining drilling machines, core drill rigs, piling rigs, exploration drilling rigs, and crawler drilling rigs, etc.

What is a core drilling rig used for?

The core drilling rig is mainly used for general survey and exploration of metal and non-metal solid minerals; also used for engineering geological survey, hydrogeological survey, general survey and exploration of oil and gas fields, and water well drilling. One-to-one customized drilling rig, unique design and unique fit for you.

How to choose a water well drilling rig?

For water well drilling rigs, the general requirements are simple configuration, low energy consumption, easy operation, high mobility, multifunctionality, and small size. In practical application, the drilling rig must be selected according to the stratum, drilling diameter, and drilling depth as well as the drilling method. Always can do better!

What is a core drilling machine in Yugong?

The core drilling machine in Yugong is a kind of drilling rig which is mainly used for drilling holes in reinforced concrete, granite, stone, and wall. It features high efficiency, smooth hole-wall, and accurate drilling. Core drilling equipment is widely used in building construction and airport runway construction.

Who can drill a well under a permit?

All well operators drilling wells under permits issued by the Division of Mineral Resources must use a drilling contractor that is registered with DEC. A listing of registered drilling contractors and plugging contractors can be obtained from the DMN searchable database.

What is a drilling rig?

The drilling rig is a kind of machinery that is widely used in drilling boreholes and rocks. It provides great convenience for geological exploration, engineering construction, water well drilling, and road and bridge foundation construction.

**HZ-200YY Water Well Drilling Rig Machine** The HZ-200YY water well drilling rig utilizes the 53#59 hexagon drive drilling rod featuring strong rigidity and enabling delivering large torque.

For the best all terrain drill rigs for Water well drilling, Foundation piling, Exploration drilling and Opencast mining machines and drilling equipment, Please contact us for any information or a ...
