

## Kaishan brand series down-the-hole drill rigs

Kaishan KT11 dth drilling machine is designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Get a FREE quote now.

Zhejiang Xinyu Machinery offers high-efficiency Kaishan DTH drilling rigs for mining and construction. Energy-saving, durable, and engineered with precision. Official distributor with ...

Kaishan is also a professional manufacturer of rock drills, DTH drilling rig, water well drilling rig. We also provide mucking loader, haggloader, air picks, auxiliary products for the drilling rig, ...

KT7D rock drilling and blasting integrated rock drilling machine Integrated Blasting Drilling Rig With Air Compressor for Sale \$18,970.00-20,000.00 Min. order: 1 set Kaishan KT series ...

Kaishan is also a professional manufacturer of rock drills, DTH drilling rig, water well drilling rig. We also provide mucking loader, haggloader, air picks, ...

This integrated drilling rig has internationally leading technique, which gives rise to large air flow and high air pressure, providing the high air pressure ...

DTH Drilling Rig Our KG, KGH series borehole drilling rig is an updated version of our KY series hole drilling machine. The previous simple structure and reliable ...

The KG410 down-the-hole drill rig for open-pit mining is an enhanced model compliant with national diesel emission regulations. Equipped with a Yuchai 4-cylinder China III engine, it ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework ...

Kaishan KG series Separated DTH drill rig drilling rig is used for open pit, mine, quarry, construction etc. And this mine drilling rig is with good integrity, environmental protection and ...

Guizhou Dengxinfeng Machinery Equipment Co., Ltd. is a professional supplier of drilling rigs, compressors, and various machinery parts. As the exclusive agent of KAISHAN in Southwest ...

The KT15C integrated down the hole drilling rig is more heavy than KT15 model, which is lower revolving rotating speed of gyrator 100rpm/min, and with feed stroke 4580mm/5580mm for ...

## Kaishan brand series down-the-hole drill rigs

Find kaishan down the hole hammer drill rig from wholesalers in China. Shop for mine drilling rig from Alibaba and enjoy favorable price points for ground excavators.

Kaishan KG430 blast hole drill rig is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Improved type of KG series dth drilling machine, it remains the advantages of simple structure, stable performance of KG series. The Optimized and updated hydraulic system, pneumatic ...

Kaishan dth drilling rigs is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

kaishan dth drilling rigs are designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Call us for a FREE quote now!

"Kaishan brand" down-the-hole drilling rig series products are innovatively designed according to the characteristics of Chinese mines, with novel structures, high efficiency, and energy saving.

Improved type of KG series dth drilling machine, it remains the advantages of simple structure, stable performance of KG series. The Optimized and ...

The KT15 integrated down the hole drilling rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes. It ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and ...

The KT5C is an integrated open-pit down-the-hole drill that combines a down-the-hole drilling system with a screw air compressor system, featuring a compact and efficient structure. It is ...

The KG520/KG520H DTH drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped ...

Down the hole drilling rig has a hydraulic wet dust removal system with adjustable water volume and water pressure, and water pressure alarm function. The rig ...

Kaishan is a professional manufacturer of rock drills and DTH drilling rig, we have multiple series of DTH drilling rigs to meet your different requirements, including: integrated open air DTH ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes,

## **Kaishan brand series down-the-hole drill rigs**

mainly used for open-pit mine, stonework blast ...

The Kaishan Portable Blast Hole Open Mine Drilling Machine KG726 Down The Hole Hammer Drill is an upgraded model developed to meet national environmental protection standards. It ...

The KT11 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the ...

Kaishan Brand KT Series Hot Sale Surface Down the Hole Drill Rig 1 set (MOQ) KT7D Small Integrated DTH Drilling Rig with Air Compressor - 24m Blast Hole Drilling Machine 1 set ...

KAISHAN KT11 Integrated Down the hole Drill Rig offers high efficiency and reliability for mining projects. With a drilling diameter of 100mm and a depth of 25m, it is perfect for various industries.

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...
