

## Kempe drill rigs

Which drill rig is best for diamond coring?

The drill uses electrical motor to power the hydraulics on the machine. The LF 70 is one of the most recognized small-format drills, is a flyable rig with a depth capacity of 700 m that can be assembled in less than an hour. The LM 55 is a compact drill rig for underground diamond coring.

How many diamond drill rigs are there in the Philippines?

Diamond Drilling Corporation of the Philippines has one of the country's newest fleet of wire-line equipped, full hydraulic diamond drills, manned by technically competent personnel. Surface drill rigs include two (2) LF 90's (skid & track mounted), two (2) LF 70's (skid mounted), and one (1) LF-230 drill.

What is a LM 55 drill rig?

The LM 55 is a compact drill rig for underground diamond coring. It is equipped with a 40kN feed frame for drilling short holes. The drill uses an electrical motor to power the hydraulics on the machine. 1.7m standard feed stroke.

What types of drills are available in the metreater range?

The MetreEater Drill range is made up of the following drills: AQ MetreEater. Both Pneumatic and Electro-hydraulic versions available. BQ MetreEater. Both Pneumatic and Electro-hydraulic versions available. Other Drilling Accessories common across the range:

The PAT 301T is a compact, trailer-mounted hydraulic drilling rig that can drill holes up to 150 meters deep in hard or sedimentary rock. It is lightweight ...

The drilling program at the Kenny's target area commenced in June using a short-hole underground Kempe drill rig that produces LTK48 size core (Photo 3). To date, 27 short holes ...

Puller mechanism Designed to drill through 360 . Hydraulic rod puller with inter connecting hoses Non-slip double-ended ball type with turrets on either side to facilitate pushing or pulling. ...

We have been in the drilling industry since 1982, and have extensive experience in the mining and drilling field. We can supply your company with the following: Kempe underground machines ...

This document is an operation and maintenance manual and parts list for the Kempe U3-9BQ-00 pneumatic diamond drill made by HUD Mining Supplies. It ...

Our drilling fleet consists of 9 late model surface rigs and 4 underground rigs. edrill rigs have the capacity to drill at a range of depths from shallow to deep ...

## Kempe drill rigs

HUD Mining Supplies A world class manufacturer of machinery and consumables for the exploration and geotechnical drilling industries. HUD is a leader in the ...

Kempe is a leading world class specialist engineering company providing maintenance, modernisation and process equipment products and services. Our purpose is to work in long ...

We engineer an extensive range of underground drill rigs for mining development and production. Available in a variety of feed lengths, boom configurations and size classes, our underground ...

May 13, 2024 -- Komatsu is excited to introduce the second generation of the company's Z2 product line of small-class development drill and bolting equipment with unique enhancements ...

In addition the current regulations of disposal are to be respected. 1.17. If there is any possibility of drilling into high pressure water we recommend the use of our safety rigging. (See Drill Rig - ...

**PRODUCTS, MATERIALS & SPARES** We supply a large range of products, materials and spares to support your plant and equipment maintenance ...

Kempe & MetreEater underground drills and parts Small portable drills for exploration drilling to 200 m KEMPE U2;U3-6B;U3-9B i U3-9BQ Pneumatic or electro-hydraulic drills Kempe K600 ...

Diamec core drilling rigs For underground core drilling exploration tasks, Epiroc offers the well-established and trusted Diamec range of machines. Diamec rigs are available in a wide variety ...

On site medical and fire extinguishing equipment Drilling manuals and handbooks Reverse Circulation and Down Hole drilling equipment Kempe underground machines and spares. Air ...

Oil & Gas Industry Machinery & Equipment Marketplace Reichdrill T650 Drilling Rig - For Sale CME 55 Drilling Rig - For Sale Watson 3000 Caisson / Foundation Drilling Rig - For Sale ...

A drill rig set up is not complete without hoses and lubricators. In addition, large capacity lubricators are available that supply a finely regulated feed of rock ...

Revolutionising drilling in the mining industry, exploration drill rigs now combine automation, software and data analytics and machine lea...

PowerROC T45 is a tophammer drill rig optimized for larger construction work and quarry applications where simple flexibility in positioning is required. The straightforward design - with ...

DM30 crawler mount - Drills holes sizes up to 179mm to depth up to 50m Atlas Copco CS 14 Exploration core drill rig - Drills NQ holes up to 1000m K600 Hydraulic underground core ...

## Kempe drill rigs

LMD SITE OPERATION (Drilling) Presently, Diamond Drilling Corporation of the Philippines has eleven (11) working rigs at Lepanto Mine Site, three (3) BoartLongyear LM 90, three (3) LM 55 ...

Drill Totally enclosed unit containing all moving parts including the motor. The brackets on the main housing are designed for either left hand ...

Subdivided into 6,480M Teresa-Victoria Grade Control and Confirmatory Drilling assigned for the Kempe/Meter Eater Pneumatic Drills and 2,170M Teresa South Exploratory Drilling for the ...

About dillrigs The rig packs are for users who prefer to play guitar instead of programming sounds and are sorted by musical style or specific use. The ...

Komatsu to integrate MOSS software into their face drilling rigs Komatsu and NSS Canada signed an initial agreement to incorporate standard and augmented reality (AR) versions of NSS ...

The document is an operations and maintenance manual for the Kempe U3-9BQ-H00 Hydraulic Diamond Drill. It provides specifications for the drill such as a ...

The drill rigs used through this period were mostly rigs designed for "hard-rock" mining applications such as the Craelius Diamec 251 (Fig. 1 a) and the Kempe U4-450 (Fig. 1 ...

Full hydraulic underground drill rigs are three (3) Boart Longyear LM 90, three (3) LM 55a, four (4) Kempe Pneumatic Drill and one (1) Meter Eater short stub drill; while Surface drill rigs include ...

The machine is capable of causing considerable thrust during drilling and the mounting rig must be properly secured to withstand this thrust. If there is any doubt use chains and turnbuckles ...

We supply a large range of products, materials and spares to support your plant and equipment maintenance needs. Process equipment products are ...

Assessing drilling and rig operations performance are a cumbersome issue for oil operators. The evaluation of effectiveness of drilling ...
