

Klemm drill rig factory

The anchor drilling rig with on-board magazine and manipulator MAG 6.1 for double rods. With the drive train of the KR 806-3GS - developed for heavy ...

The KR 909-3G is a compact and powerful machine which can be easily adapted to a variety of tasks with reliable KLEMM additional components. It complies ...

The anchor drilling rig with on-board magazine and manipulator MAG 6.1 for double rods. With the drive train of the KR 806-3GS - developed for heavy double head overburden drilling which ...

BON VOYAGE! KLEMM drilling rig KR 805-3GW leaving our factory on the way to one of our customers in France. There it will soon be used for geothermal...

Klemm drill rigs are manufactured with the state-of-the-art drilling technology to differentiate them from other forms of machines. They have versatile elements to handle different types of ...

Pittsburgh, PA - Equipment Corporation of America (ECA) has begun distribution of two new drilling rigs introduced to the North American ...

Almost anything is possible Drilling systems In the last five decades, KLEMM Bohrtechnik has decisively contributed to the development of the drilling systems that are currently available on ...

KLEMM Bohrtechnik GmbH is a global leader in developing and producing complete drilling systems. The company produces most of their products on site in Drolshagen - everything ...

A large range of Klemm Drilling Rigs for Construction type Drilling Applications. Quality product built to a Certified Standard. Service and Support here in New Zealand. Local Supplier.

Compact and powerful The KR 801 defines its own class of especially compact and at the same time universally usable drilling rigs. With a 2200 mm wide ...

Explore the different parts of a drilling rig at Rig Source. We provide top-of-the-line drilling machinery to sell the best auger drill bits and drill rods.

BON VOYAGE! KLEMM drilling rig KR 805-3GW leaving our factory on the way to one of our customers in France. There it will soon be used for geothermal drillings.

The zero-emission drilling rig. With easy connection to standard electrical infrastructure on construction sites.

Klemm drill rig factory

Off-grid operation with battery is possible.

As power unit for the drill rig, two different diesel power packs and one electric power pack are available. The power packs offer a modern high pressure hydraulic system for the operation of ...

The power of reliability: made in Germany, Klemm drilling products are made under the most stringent conditions. Every detail is not only well-thought-out, but properly executed to provide ...

KLEMM KR7093G Drilling Rig: Advanced Engineering Meets Global Standards The KLEMM KR7093G drilling rig is a state-of-the-art machine that embodies compliance with global ...

KLEMM Bohrtechnik develops and manufactures drilling rigs and drilling equipment in the field of special foundations. As proof of the high degree of innovation and technical expertise, we find ...

KLEMM Bohrtechnik presented several of its compact anchor and geothermal drilling rigs at bauma 2025 - including two new developments.

Versatile drilling rig concept The drilling rig can be used in a range of ways, for example for micropiles and mini piles, GEWI piles, for underpinnings, jet ...

The KR 909-2 is a powerful yet simple structured drilling rig. With tried and tested KLEMM additional components, it can be adapted for a variety of tasks quickly ...
