

Kobelco low pressure screw air compressor

The selection of the optimum airend and the direct gear structure with the motor realize high air volume, and at low pressure setting, the wide range control ...

Conventional refrigeration compressor has been unavoidable to reduce cooling capacity significantly accompany with evaporating temperature drops. Accelerating motor speed ...

Oil-Injected Screw Compressors Oil-injected screw gas compressors have no compression ratio limit and a wide, stepless turndown capability (from 100% to 20%) for superior savings on ...

Proven Technology Over 65 years of field experience in all industries has proven that the KNW Series rotary screw design is the preferred choice for reliability, energy efficiency and ...

Kobe Steel has developed a series, EmerauDe-Aqua, of oil-free screw air compressors which use water injected during compression for sealing and cooling their parts. Each compressor ...

KOBELCO energy & chemical machinery segment website: "Oil-injected screw compressors" page of compressor segment KOBELCO business segments ...

Kobelco Compressors is launching of its new series of oil-flooded screw air compressors, the new "KOBELION" series, featuring a range of high-performance models (110 ...

Nowadays, Kobelco produces oil-injected and oil-free screw compressors in Japan, US and China and supplies to all over the world. 01. Japan's first high pressure compressor ...

Compressed air discharged from this compressor should not be used for breathing air unless properly purified. Kobelco and Rogers Machinery Company, Inc. assume no responsibility or ...

New A Compressor Sdn Bhd Malaysia is a leading air compressor manufacturer that offers any type of compressed air system for various industrial needs.

Introduction Kobe Steel's oil-free screw compressors are widely used for process gases in various industrial fields, such as petrochemistry, general chemistry, petroleum refining and the gas ...

Air volume : 2.18 - 17.8m³ /min KOBELION VS series Output : 22 - 75kW Air volume : 3.8 - 15.1m³ /min Screw refrigerator Ultra-high efficiency inverter heat pump chiller (water cooling / air ...

Kobelco low pressure screw air compressor

ALE IV senses line pressure and automatically utilizing excess power during low-pressure operation efficiently. At 0.6MPa operation, airflow can be increased by up to 10% (75kW).

The reciprocating type is suitable for acquiring high pressure air, while the turbo type is suitable for acquiring a large amount of air with low pressure. The rotary system lies somewhere in ...

PT Kobelindo Compressors is a sole distributor for Kobelco Screw Air Compressor in Indonesia including service and parts. It was founded in 2001 as a joint-venture company between ...

These are used in such industries as electronics, semiconductor, food&beverage, steel, chemical, automobile, etc, where oil-free, clean ...

View and Download Kobelco KNW Series operation online. OIL-FREE TWO-STAGE ROTARY SCREW AIR COMPRESSORS, KL100B PROGRAM. KNW Series control panel pdf manual ...

Kobe Steel has developed a series of oil-flooded screw compressors for high-pressure. The company's original rotor technology, along with larger bearings and special mechanical seals, ...

Over 65 years of field experience in all industries has proven that the KNW Series rotary screw design is the preferred choice for reliability, energy efficiency and serviceability.
