

Korean engineering survey drilling rig brand

Who makes Desco drill rigs?

DESCO INC. was established to design and build full-hydraulic, long-stroke, top-head drive drill rigs in 1988. We manufacture a complete line of water well drill rigs, exploration drill rigs, multi-purpose drill rigs, horizontal direction drill rigs & drilling accessories.

Does Geoview have a drilling rig?

Currently, Geoview is the only company in Korea that possesses a marine drilling rig." When boarding the vessel, the first thing that catches the eye is undoubtedly the drill tower.

How will Kim Heng benefit from geotechnical survey work?

Through the collaboration, Kim Heng will also benefit by executing geotechnical survey works in the pre-construction phase of larger, more complex offshore windfarm projectstapping on STE know-how in soil investigation works.

What can Ste do for Korea's offshore wind farms?

This new asset will be used for pre-construction geotechnical investigationsfor offshore wind farms in Korea and other Southeast Asian regions. The collaboration between Kim Heng and STE already includes signed framework agreements to provide investigation services for multiple wind energy projects under development.

Kores Engineering offers complete drilling solutions to our customers. We provide expertise in designing, developing, and distributing high-precision equipment ...

Construction / Civil and marine engineering contractors / Oil and gas drilling and exploration contractors
Refine my search: Return Search results for : South Korea B2B Propection list ...

Adira Renewables, the wholly-owned subsidiary of Singapore's offshore services provider Kim Heng and Soiltech Engineering Co Ltd Korea (STE), has launched a ...

New type Geological Engineering Drilling Rig is a new generation of portable multi-purpose engineering survey and construction rig, which aims at optimizing the design of most of the ...

Hydraulic Core Drilling Rig YG core drilling rig is a multifunctional core drilling rig, mainly used for shallow hole core drilling with diamond or carbide drill bits. It is also suitable for engineering ...

Over the decades, we have excelled in designing, developing, and manufacturing state-of-the-art drilling rigs for a wide range of applications, including water well, exploration (Diamond and ...

Korean engineering survey drilling rig brand

Kwang Jin Corp. (KJC) is one of the most advanced and reliable manufacturers of Rotary Joint and Swivel Joint utilized in various industrial fields. Since we launched KJC brand in 1986, we ...

For over 20 years, Seko drill has played important roles as an expert in construction and civil engineering field Korea. If customer wants to get any special products, we are able accept ...

GXYB series pump-machine integrated engineering survey rig is suitable for engineering geological survey, general survey of solid deposits, blast holes ...

Our cutting-edge equipment combines innovative technology, robust construction, and precise engineering to ensure reliable and precise drilling in even the ...

KCA Deutag is a drilling and engineering company that provides drilling services for both land and offshore projects. The company operates a ...

Modu-survey services include rig inspections, surveys, audits, rig intake, reactivation, customized OTJ rig inspection & compliance training, crew competency assessments on all types of ...

Our technical surveys include the survey/reporting of all safety critical instrumentation and monitoring systems in hazardous and safe area environments on offshore drilling rigs and ...

Welcome to the official website of Desco, a leading manufacturer of high-quality drill rigs for various industries around the world. With years of experience in designing and producing ...

K& M WellDefined drilling survey services compensate for axial and cross-axial magnetic interference and minimize MWD survey sensor errors. The services utilize a proprietary multi ...

Rig Survey International performs professional, independent surveys and inspections on all types of land and offshore drilling rigs and support vessels. We deliver an in-depth, risk-based ...

Find the top drilling rig suppliers & manufacturers from a list including Lone Star Drills, a Little Beaver Company, Acker Drill Company Inc & AMS, Inc.

The SH30-2D crawler-type engineering drilling rig is upgraded on the basis of the SH30-2A drilling rig. The rig can be used in the fourth-century cover layer of cultivated soil, cohesive soil, sand ...

Hanjin Drilling Co., Ltd. established designing and building full-hydraulic, long stroke, top head drive drill rigs in 1989 at our manufacturing facility located in Kwangju, South Korea.

SH30-2A engineering survey drilling rig is mainly used in the geological survey of placer gold exploration,

Korean engineering survey drilling rig brand

industrial buildings, civil buildings, roads and bridges. The drilling rig has two ...

Wuxi Jinfan Drilling Equipment Co., Ltd. (hereinafter referred to as "Jinfan") founded in 2003, is located in the Meicun Industrial Zone of Wuxi New District, with business covering more than ...

With more than five decades of operations, Kim Heng has developed a wide range of capabilities in the offshore renewable, marine, as well as oil and gas industries, specialising in ...

HELMS Rigs Up New Drill Rig on DP2 Dolphin Geo Survey Helms Geomarine Sdn Bhd (Helms) has completed the installation of a brand-new geotechnical ...

South Korea is home to several oil and gas companies that play a significant role in the country's energy sector. These companies are involved in the ...

It is suitable for engineering geology survey solid mineral deposit general survey and exploration, blasting hole and inspection hole of all kinds of concrete structure, etc., according to the ...

G-STAR is a geotechnical survey vessel created by Geoview, a Busan-based company led by CEO Kim Hyun-do. It is the first survey vessel ...

We manufacture a complete line of water well drill rigs, exploration drill rigs, multi-purpose drill rigs, horizontal direction drill rigs & drilling accessories. We are committed to manufacturing ...

Since its establishment in 1998, Soiltech Engineering Co Ltd ("Soiltech", CEO : Yun, Sang-Muk) has secured various Geo-Technical/Physical survey equipment and technology ...
