

Kuanyuan Water Well Drilling Rig 180

Drilling Diameter:180mm, 100mm, 200mm;Drilling Depth:Max.180m;Dimension (L*W*H):2300*1200*2100mm;Drill rod diameter:42mm;Weight:2200 KG;Single package ...

Shenyang SW Drilling Equipment CO.,Ltd. Our company is located in Shenyang, Liaoning Province, China. Our main products include various drilling rigs, air compressors and other ...

Our company mainly provides air compressors, drilling RIGS, impactors, drill bits and water gauges, widely used in mines, hydraulic drilling RIGS, construction, road and bridge ...

A: Our products include core barrel, casing, drill rod, drill rig and other drilling parts.They are used for mineral exploration, geological drilling,

Our company mainly provides air compressors, drilling RIGS, impactors, drill bits and water gauges, widely used in mines, hydraulic drilling RIGS, construction, road and bridge construction.

This 180-meter crawler water well drilling rig, picture this: it's a professional drilling machine that rolls around on tracks, and it can dig down ...

GK-180 drilling rig is developed to synthesize the advantages of various drilling rigs. The new kind of shallow hole drilling rig is mainly used in engineering geological survey and secondly used ...

MW180 multifunctional crawler well drill is a new,highly-effective,energy-saving and multifunctional hydraulic drill and it is specialized in drilling well ...

ST 180 Water Well Drilling Rig Advantages The machine can be used in various strata, such as water well engineering, geothermal well, anchor pile hole, etc., and can use pipe following ...

High quality SRKW180 180m Geothermal Water Well Crawler Drilling Rig from China, China's leading 180m Geothermal Drilling Rig product, with strict quality control Hydraulic Crawler ...

The HT-W180 Water Well Drilling Machine 180 is a top-tier solution designed for water well drilling and quarry mining operations. This powerful bore hole mining drill rig for quarry offers reliable ...

KW180 water well drilling rig, capable of drilling up to 180 meters with high efficiency kai shidashi 37 subscribers [Subscribe](#)

Applications KW180 water well drill rig the drilling diameter is 140-254mm and the drilling depth can reach

Kuanyuan Water Well Drilling Rig 180

to 180 meters, which can meet most of the farming or construction water well ...

The MWR180 rubber crawler water well drilling rig offers 180m drilling depth with enhanced mobility. It's designed for medium - depth well projects. Its rubber crawler feature ensures ...

KW180/YCW180 Crawler Water Well Drilling Rig is a light, highly-efficient and multifunction drilling device, characterized by advanced structure, convenient use, high operating efficiency, ...

The ST 180 series water well drilling rig is a lightweight, efficient, and multi-functional drilling equipment designed for industrial and civil drilling ...

High quality 180 Meters Small Water Well Drilling Machine Farming Industrial Borehole from China, China's leading farming small water well drilling machine product, with strict quality ...

Specifications Condition: used Year: 2022 Applicable industries: Construction works Other Energy & Mining Power type: Diesel Place of origin: Liaoning China Use: Water Well Dimension ...

Premium water well drilling rigs for agricultural, residential, and industrial use. Engineered for deep drilling, durable performance, and adaptability to various geological conditions. Explore ...

The ST180 Water Well Drilling Rig is a lightweight, high-efficiency, multifunctional drilling equipment featuring advanced hydraulic technology. Designed for ...

Contact the seller for additional photos and information. 5 Location: Shandong, China Price: \$4,571 USD | Get Financing - Est. \$90/mo Manufacturer: Yuchai drilling rigs Model: ABT417 ...

KW180 water well drill rig the drilling diameter is 140-254mm and the drilling depth can reach to 180 meters, which can meet most of the farming or construction water well requirement

THE KING OF DRILLING RIGS, MAKE DRILLING SIMPLE!#CSDRILLThe weight 4.5TDrill pipe diameter 76 79 mmThe hole diameter 140-254 mmDrill pipe length 1.5m 2.0m...

Discription YKW-180 wheel/trailer type hydraulic crawler type water well drilling rig is a moveable, efficient and multipurpose rock drilling equipment. It has rotary drilling mode and percussive ...

This 180-meter crawler water well drilling rig, picture this: it's a professional drilling machine that rolls around on tracks, and it can dig down pretty deep, like, up to 180 meters. Its ...

High quality Engineering Xy-1a Water Well Drilling Rig 180 Meters Deep from China, China's leading product market engineering water well drilling rig product, with strict quality control xy ...

Kuanyuan Water Well Drilling Rig 180

Short Description: Scope of application: suitable for photo voltaic engineering, solar power base, piling, engineering blasting drilling, with a machine dual-use, torque, piling fast, flexible and ...

Scope of application suitable for photo voltaic engineering, solar power base, piling, engineering blasting drilling, with a machine dual-use, torque, piling fast, flexible and efficient and so on. ...

Provided Warranty of core components: 1 Year Core components: Engine Key selling points: Competitive Price Drilling diameter: 110-360 mm Drilling depth: ...

Description Product Overview Kuanyuan KY300 Water Well Drilling Rig used 300m Depth Kuanyuan KY300 Water Well Drilling Rig China Factory Yuchai Diesel Engine 3m tower ...
