

Lasso drilling rig 101

Who is Lasso drilling?

Lasso Drilling LLC is a privately owned and operated company operated out of Midland Texas which was formed June of 2018. We are building a fleet of 21,000' super spec, tele triples for the U.S. market.

Why should you choose Lasso drilling?

Lasso Drilling's equipment is our asset; our people are our strength. In combination, this means our customers receive outstanding service and drilling performance, safe working conditions, employee expertise and high performing crews. Our management team offers extensive experience and knowledge.

Why should you choose Lasso AC rigs?

Our focus on compact design Super Spec AC rigs, which provide the customer with significant move cost savings, gives Lasso a material competitive advantage. The management team is comprised of seasoned industry leaders with a clear vision of providing client-focused service and an emphasis on safety and compliance.

What is a super spec Tele triple rig?

We are building a fleet of 21,000' super spec, tele triples for the U.S. market. The rigs are modern Super spec, VFD rigs with 4000 h.p., 700kip hook load, 1850 hp draw works, 1600 hp pumps, top drives capable of 46,000 ft/lbs of torque, 1000 bbl. mud systems, pipe handling features, and full walking system.
