Can an oil rig injury attorney help if my claim is denied?

Yes, an oil rig injury attorney can help if your workers' compensation claim is denied. They can assist in appealing the denial, gathering additional evidence, and representing you in hearings to secure the benefits you deserve. 5. Can an oil rig injury attorney help if I'm permanently disabled from my injury?

What is an oil rig accident lawsuit?

Oil rig accident lawsuits focus on securing compensation for workers who suffer injuries or death due to negligence, equipment failures, or unsafe conditions in the oil and gas industry. These cases typically involve claims against employers, equipment manufacturers, or contractors who failed to maintain proper safety standards.

What should I do if my oil rig accident is fatal?

If an oil rig accident results in a fatal injury, it's crucial to report the accident and the fatality immediately. With the drilling company and its insurer likely to minimize compensation, it's up to you to protect your family's future.

What laws protect oil rig workers?

Several important laws provide specific protections for oil rig workers injured on the job: The Jones Act (Merchant Marine Act of 1920): This federal statute allows injured seamen to sue their employers for negligence.
