

Lightweight drilling rig

Apageo presents its range of drilling rigs, called Apafor®. From small lightweight geotechnical drilling rigs to powerful water drilling rigs and deep mining rigs, and a range of compact and ...

Product Description: The Jingtuo Tan-50Y Portable Core Drill is a compact and lightweight drilling rig designed for challenging terrains like mountains and hillsides. It features a hydraulic system ...

Our Boart Longyear Delta Base 520 (DB520) is a compact, lightweight, multipurpose drill rig designed for environmental, geotechnical, construction ...

Maneuverable compact drill rigs for confined spaces and remote sites. CINTRL's lightweight units handle soil sampling, shallow wells, anchor drilling, and geotechnical surveys. Modular ...

Maneuverable compact drill rigs for confined spaces and remote sites. CINTRL's lightweight units handle soil sampling, shallow wells, anchor drilling, and geotechnical surveys.

Drillers seeking a portable drill rig easily maneuvered through narrow doorways and into basements choose the 420M. Weighing less than 425 lbs and only 23 ...

LIGHTWEIGHT, COMPACT Drilling rigs for cathodic protection With Versa-Drill's cathodic protection drilling rig capabilities, world-class technology and reliability keep your work moving ...

LF(TM)70 Surface Coring Drill Rig Mobility The LF(TM)70 modular design consists of seven sections that are heliportable for reaching remote locations. This drill reduces downtime when ...

Down-the-Hole Hydraulic Drilling: Features advanced down-the-hole (DTH) drilling technology for precise and efficient water well drilling in a variety of ground conditions. ...

Apageo presents its range of drilling rigs, called Apafor®. From small lightweight geotechnical drilling rigs to powerful water drilling rigs and deep mining rigs, ...

RIG 2 - DB520 Lightweight Multipurpose Drill Our Boart Longyear Delta Base 520 (DB520) is a compact, lightweight, multipurpose drill rig designed for ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

Introducing the Geoprobe® 420M Drill Rig--the ultimate solution for professionals seeking a compact

Lightweight drilling rig

yet powerful drilling rig for environmental, geotechnical, and exploration projects. ...

Construction Foundation Drilling and Piling Machine Drilling and piling machine / rig from ABI, Beretta, Jintai, Attas Itech, and Tescar.

The TT5 is lightweight but sturdy and features expanding tracks, making it ideal for use in tight, limited-access areas. It's efficient, reliable, and easy to ...

This gasoline-powered portable water well drilling rig is a compact yet powerful solution for drilling water wells in rural or remote locations. With its hydraulic system and ...

This presentation discusses the use of Rubicon 2000, a mobile lightweight rig designed to perform drilling-and well interventions including snubbing. This rig is very flexible ...

Offshore Rigs Nabors is a leading provider of offshore platform workover and drilling rigs. Within the platform rig market, Nabors offers its innovative MASE ® and MODS (TM) rigs, the latter ...

Innovative Design: This versatile drilling rig is suitable for a variety of applications, from residential water wells to agricultural irrigation systems. ...

Industry Portable drill rigs, with their versatility and transportability, have transcended the boundaries of specific sectors. Their applications are ...

The Ultimate Guide to Well Digging Trucks: Types, Applications, and Features Well digging trucks, also known as water well drilling rigs, play a crucial role in accessing ...

Lightweight Geoprobe® 420M Drill Rig Introducing the Geoprobe® 420M Drill Rig--the ultimate solution for professionals seeking a compact yet powerful ...

Drilling Capabilities: Equipped with pneumatic power and air-driven mechanisms, this lightweight drilling rig supports drilling diameters of 75mm and 100mm. It is designed for borehole, anchor, ...

Our products are distributed globally, with operations spanning 173 countries and regions, and we have established long-term partnerships in many countries. In recent years, Zhongmei Group ...

The SOILMEC SR-45 from Western Equipment Solutions is a lighter, fuel-efficient drilling rig with precise control & DMS monitoring. It's self-assembling & easy to transport.

Used drilling rigs for sale across Australia including geotechnical, blasthole, underground, multipurpose, and RC rigs. Licensed broker and experienced ...

Lightweight drilling rig

Universal HDD UNI 360 ADI VS is a long-range vertical/slant directional drill. Featuring 360000 lbs push/pull, 50000 ft-lb torque, and 600 hp turbo diesel ...
