

Mc15-p drill rig

What is a MC 15 drilling rig?

Versatility and Power The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and consolidations in general.

What is a MC 15 p rig?

The MC 15 P is a "multipurpose" machine that can carry out any type of foundation and soil consolidation drilling project, from micro-piles to jet grouting, as well as anchors and soil nailing. A distinctive feature of the MC 15 P is the variety of movements and inclination angles of the mast that this rig can reach.

What is a Comacchio MC 15 p drilling rig?

The increased performance of the engine makes it particularly suitable for the use of drilling techniques with double-head systems. Comacchio MC 15 P Drilling Rigs The MC 15 P is a "multipurpose" machine that can carry out any type of foundation and soil consolidation drilling project.

What types of hydraulic systems can the MC 15 handle?

Equipped with advanced modular hydraulic circuits, the MC 15 can accommodate a wide range of rotary heads, hydraulic drifters, double head systems, water and mud pumps, winches and rod carousels and is suitable for rotary and rotary-percussive drilling.

Thanks to the innovative Comacchio radio control system, the MC 28 HD is completely radio-controlled: all the rig functions including tramming, positioning, drilling are ...

Variety of movements The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997, the MC 22 was the first drilling rig equipped with the ...

Comacchio MC 15 drilling rigs New and used Trusted sellers Currently in stock Quality construction equipment for sale at Machineryline India

Comacchio MC15 drilling rig with hydraulic drifter Ideal for driving large diameter bars thanks to the power of the external drilling machine, ...

The result is the great versatility in the use of these drilling rigs: our fully articulated rigs cover the entire spectrum of geotechnical engineering applications (micropiles, anchors, tie rods, soil ...

The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and ...

The new MC 15P GT is a dedicated machine for the shallow geothermal sector. The rig features an

Mc15-p drill rig

articulation system developed starting from micropiling ...

Advanced modular hydraulic circuits The MC 8 is an extremely versatile and powerful small/medium size hydraulic drilling rig, designed for civil engineering ...

Traxxon is a leading supplier of foundation equipment from Comacchio, ABI, and Delmag in Canada, offering drilling rigs and attachments for piling, anchors, ...

The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and consolidations in general. A distinctive feature of the MC ...

Hammer & Steel sells and rents Comacchio MC 28 HD drilling rigs for specialized work including ground consolidation, anchor drilling, water well drilling and ...

Thanks to the innovative Comacchio radio control system, the MC 28 HD is completely radio-controlled: all the rig functions including tramming, ...

MC 15 P Basata sul concetto della MC 15, la MC 15 P offre prestazioni pi#249; elevate grazie alla motorizzazione di classe superiore in grado di erogare fino a 168 kW (225 HP) di potenza. La ...

Compact size and high performance The MC 6 is a hydraulic drilling rig designed for the execution of ground engineering works in confined or low overhead spaces and difficult access jobsites, ...

Based on the concept of the MC 15, the MC 15 P offers superior performance thanks to the more powerful engine capable of delivering up to 168 kW (225 HP) power. The multipurpose design ...

Compact size and high performance The MC 6 is a hydraulic drilling rig designed for the execution of ground engineering works in confined or low overhead ...

Description: Title: Comacchio MC 15 P Micro Piling Rig Used Comacchio MC 15 P Micro Piling Rig for sale. 1,400 Hours Hydraulic Crane V805 f/3s Radio Control Ro...

A major feature of the MC 15 P is the variety of mast positions and inclinations that it can perform: thanks to the compact size and patented mast articulation system, this drill rig can be used in ...

Mc15-p drill rig
