

Mc22 drill rig

What is a MC 22 drill rig?

MC 22A - The new MC 22 drill rig version featuring the innovative hydraulic rod & casing carousel. The machine is completely remote controlled, thanks to the unique Comacchio radio control system, which allows yo... 2024 MC22 - The MC 22 is the iconic rig of the Comacchio fleet.

What type of drilling rig is a Comacchio MC 22A suitable for?

Available with a wide selection of rotary heads,hydraulic hammers,double head systems,water and mud pumps,the MC 22A is suitable for any type of rotary and rotary-percussive drilling. Hammer &Steel sells and rents Comacchio MC 22A drilling rig for anchor drilling and consolidations.

What is a 2024 MC22 drilling rig?

2024 MC22 - The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997,the MC 22 was the first drilling rig equipped with the innovative Comacchio mast articulation system. The variety of movements an... Good condition Comacchio MC22A Drilling Rigs manufactured in 2024. Located in Canada and other countries.

What is a MC 12 drilling rig?

The MC 12 is a versatile and powerful hydraulic drilling rigdesigned for civil engineering works such as micropiles,anchors,jet grouting and ground improvement in general. The rig's patented mast articulation ability,compact size and variety of mast positions and inclinations allow for operation even in confined spaces.

When were Comacchio MC22 rigs made?

Good condition Comacchio MC22A Drilling Rigs manufactured in 2024. Located in Canada and other countries. Click request price for more information. Good condition Comacchio MC22 Drilling Rigs manufactured in 2016. Located in Canada and other countries. Click request price for more information. Comacchio MC22 and MC22A drilling rigs for sale.

What is a Comacchio MC 22?

The MC 22 is a Comacchio legend. The MC 22 provides a variety of movements and inclinations,like its smaller counterparts with the power for more demanding and longer stroke applications. The MC 22 excels in ground engineering works (micropiles,anchors,jet grouting and consolidations in general) even in confined spaces.

Hammer & Steel sells, rents, and services Comacchio MC Line of hydraulic drilling rigs that are ideal for projects including ground consolidation, anchor ...

Especially designed to ensure the operator"s safety with new full radio control that guarantee high performances at the jobsite. Flexibility, reliability and safety characterize the new SM-22 and ...

Mc22 drill rig

The Comacchio MC28, emerging as a heavy-duty version of the MC22, is engineered to tackle particularly demanding tasks even in space-constrained ...

The MC 22A is used mainly for anchor drilling and consolidations in general. Available with a wide selection of rotary heads, hydraulic hammers, double ...

Advanced modular hydraulic circuits The MC 8 is an extremely versatile and powerful small/medium size hydraulic drilling rig, designed for civil engineering ...

2024 MC22 - The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997, the MC 22 was the first drill ing rig equipped with the innovative Comacchio mast articulation system.

Hydraulic, tracked and radio-controlled drilling rig with rotary head configured for the creation of micropiles. Mast with gearmotor advancement system (in two elements).

Used Comacchio drilling rigs for sale in USA. MC, CHF500, MC-E, CH300, MC20, CH650, and MC4D. Find drill rigs, oil and gas equipment on Machinio.

Versatility and Power The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting ...

The MC 28A HD (Heavy Duty) is the new MC 28 drill rig version featuring the innovative hydraulic rod & casing carousel. The machine is completely remote ...

The MC 8D is a versatile and powerful hydraulic drilling rig, designed for civil engineering works such as micropiles, anchors and ground improvement in general through the use of all rotary ...

Heavy duty Developed as the heavy duty version of the MC 28, the MC 28 HD is a very compact and powerful drill rig. It is the ultimate solution to take heavy ...

Hammer & Steel sells and rents Comacchio MC 28 HD drilling rigs for specialized work including ground consolidation, anchor drilling, water well drilling and ...

Traxxon is a leading supplier of foundation equipment from Comacchio, ABI, and Delmag in Canada, offering drilling rigs and attachments for piling, anchors, ...

The MC 8D is a versatile and powerful hydraulic drilling rig, designed for civil engineering works such as micropiles, anchors and ground improvement in ...

Rental Comacchio MC 22 drilling rig with hydraulic drifter Ideale per l'infissione di barre di grosso diametro

Mc22 drill rig

grazie alla potenza della perforatrice esterna, Testina di adduzione esterna

The Comacchio MC-22 is a versatile drilling rig designed for a wide range of ground engineering works (micropiles, anchors, jet grouting and consolidations ...

Comacchio Drill Rigs & Drilling Tools Hammer & Steel, Inc., sells and rents the Comacchio CH, MC, and MC-E Lines of drill rigs and drilling tools.

MC 22 The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997, the MC 22 was the first drilling rig equipped with the innovative Comacchio mast ...

The hallmark of our drilling rigs is the great variety of mast positions and inclinations that they are capable to perform thanks to the Comacchio patented articulation system. This unique ...

2024 MC22 - The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997, the MC 22 was the first drilling rig equipped with the innovative Comacchio mast articulation system.

2024 MC22 - The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997, the MC 22 was the first drilling rig equipped with the innovative ...

MC 15 Versatility and Power The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting ...

The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997, the MC 22 was the first drilling rig equipped with the innovative Comacchio mast articulation system.

Comacchio Drilling and Pile Driving Rig Brochures The Comacchio drilling rigs are suitable for several types of specialized works including ground consolidation, anchor drilling, geotechnical ...

The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997, the MC 22 was the first drilling rig equipped with the innovative Comacchio mast ...

Heavy duty Born as the heavy duty version of the MC 22, the MC 28 is the optimal solution to take on particularly heavy works even when space is ...
