

Mc28 drill rig

Comacchio MC 8D Drilling Rigs The MC 8D is a versatile and powerful hydraulic drilling rig, designed for civil engineering works such as micropiles, anchors ...

Drill rig COMACCHIO, model MC 800-S Multipurpose rig for water wells, geothermal application, micropiles, etc. Rig has strong drill heads with preventer system ...

The MC 28 HD was developed to support "heavy duty" drilling technologies, specifically double head applications both in rotary/rotary or rotary/rotary-percussion mode (with top hammer or ...

Developed as the heavy duty version of the MC 28, the MC 28 HD is a very compact and powerful drill rig. It is the ultimate solution to take heavy works ...

The MC 15 P is a "multipurpose" machine that can carry out any type of foundation and soil consolidation drilling project, from micro-piles to jet ...

Advanced modular hydraulic circuits The MC 8 is an extremely versatile and powerful small/medium size hydraulic drilling rig, designed for civil engineering ...

During Bauma 2019 Comacchio took the opportunity to showcase its expanded MC range of micropiling/anchoring rigs for ground improvement and ...

Developed as the heavy duty version of the MC 28, the MC 28 HD is a very compact and powerful drill rig. It is the ultimate solution to take heavy works such as large diameter drilling using ...

The MC28 HD is a compact, powerful rig ideal for large diameters. Dual head, articulated mast, and reinforced chassis for any drilling challenge.

The Comacchio MC-28D is a versatile drilling rig designed for micropiles and anchors construction, boasting a reinforced undercarriage and adaptable mast ...

Hammer & Steel, Inc. sells and rents Comacchio MC 22 drilling rigs for specialized work including ground consolidation, anchor drilling, water well ...

Versatility and Power The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting ...

The MC 8D is a versatile and powerful hydraulic drilling rig, designed for civil engineering works such as

Mc28 drill rig

micropiles, anchors and ground improvement in ...

Carrello estrattore Casing extractor Kit pompa carico gasolio Fuel filling pump kit Sovrapattini in gomma per cingoli Rubber shoes for steel tracks Prolunga e timer per jet grouting Extension ...

Conceived in 1997, the MC 22 was the first drilling rig equipped with the innovative Comacchio mast articulation system. The variety of movements ...

Comacchio Drilling and Pile Driving Rig Brochures The Comacchio drilling rigs are suitable for several types of specialized works including ground consolidation, anchor drilling, geotechnical ...

Powered by a 205 kW engine and 14-ton mast, the MC 28 is ideal for micropiles, anchors, jet grouting, and heavy-duty consolidation works.

Comacchio MC Line - The basic line of multiuse rigid and articulated hydraulic crawler drilling rigs which are suitable for several types of specialized works, ...

MC 15 Versatility and Power The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and consolidations in general. ...

The Comacchio MC-8D drilling rig is the ultimate limited access solution for executing micropile and anchor installations. The rig's versatility in handling ...

Heavy duty Developed as the heavy duty version of the MC 28, the MC 28 HD is a very compact yet powerful drill rig. It is the ultimate solution to take heavy works such as large diameter ...

MC 28 HD is a very compact and powerful drill rig. It is the ultimate solution to take heavy works such as large diameter drilling using double head systems. Its reinforced variable width ...

Equipped with advanced modular hydraulic circuits, the MC 28 can utilize a wide range of rotary heads, hydraulic drifters, double head systems, water and mud pumps, winches and rod ...

Hammer & Steel sell and leases Comacchio MC 14 drilling rigs for projects including ground consolidation, geotechnical work, and anchor drilling.

Hammer & Steel sells, rents, and services Comacchio MC Line of hydraulic drilling rigs that are ideal for projects including ground consolidation, anchor ...

The MC 22A is the new MC 22 drill rig version featuring the innovative hydraulic rod & casing carousel. The machine is completely remote controlled, thanks to ...

Mc28 drill rig

Born as the heavy duty version of the MC 22, the MC 28 is the optimal solution to take on particularly heavy works even when space is limited. Equipped with a 225 kW engine, the MC ...

Traxxon is a leading supplier of foundation equipment from Comacchio, ABI, and Delmag in Canada, offering drilling rigs and attachments for piling, anchors, ...
