

Multifunctional crawler down-the-hole drilling rig processing and customization

Split Mountain surface down-the-hole (DTH) drills make your construction job easier. These surface DTH drilling rigs offer the highest mobility, a smaller footprint and the ability to serve ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

FD150 multifunctional and efficient crawler down-the-hole drilling rig The FD150 multifunctional crawler drilling rig is a versatile machine that combines photovoltaic piling, foundation piling, ...

MWGF150 multi-functional crawler drilling rig is a multi-purpose drilling rig integrating photovoltaic piling, foundation piling, blasting hole drilling, and ...

GL726 crawler down-the-hole drill carriage is mainly used for drilling blast holes in open-pit projects such as mining and quarrying, road construction, water ...

Find out all of the information about the Furukawa Rock Drill product: multifunction drilling rig DCR22. Contact a supplier or the parent company directly to get a quote or to find out a price ...

Hydraulic Core Drilling Rig YG core drilling rig is a multifunctional core drilling rig, mainly used for shallow hole core drilling with diamond or carbide drill bits. It is also suitable for engineering ...

MWGF150 is a multi-purpose drilling rig integrating photovoltaic piling, foundation piling, blasting hole drilling, and down-the-hole drilling.

Anchor rig has outstanding advantages, such as improving supporting effect, reducing the cost, speeding up the lane, lessening auxiliary traffic, decreasing labor intensity, increasing the ...

600m Multi-functional Geotechnical Core Drilling Rig is compact with moderate dimensions and high technical specification. The rig can be either crawler or ...

These rigs are equipped with intelligent control systems and high - torque drilling mechanisms, allowing them to adapt to complex geological conditions, from hard rock to soft soil.

Competitive Pricing: This multifunctional crawler hydraulic DTH blast hole drill machine offers a competitive price without compromising on quality, making it an attractive option for customers ...

Multifunctional crawler down-the-hole drilling rig processing and customization

FY300 Crawler type water well drilling rig Water well drilling rig specifications FY-300 multifunctional crawler well drill is a new, highly-effective, energy-saving and multifunctional ...

@StevenLiu-drilling.engineering Multifunctional drilling rig, open-pit drilling rig, crawler drilling rig, down the hole drilling

YGL-180GM is one kind of full hydraulic power head type drilling rig. It is mounted on a crawler chassis, driven by full hydraulic system which is the common borehole machine for vertical or ...

The SmartROC D55 is controlled via an advanced rig control system displayed on a touch-screen inside the comfortable, air-conditioned FOPS and ROPS-certified cabin. The screen presents ...

Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the-hole drill rig built for demanding high-capacity production drilling applications in surface mining and ...

Reverse circulation multifunctional drilling rig is a new efficient, environmentally friendly, and multifunctional tracked drilling rig. It adopts the latest RC drilling and mining technology from ...

Pdkj729s Fully Hydraulic Multi-Function Crawler Split Type Anchor Drilling Rig, Find Details and Price about Down The Hole Drill Rig Hydraulic Drill Rig from Pdkj729s Fully ...

BDM-200QJ Water well drilling rig: The 200m water well drilling rig is a high-performance equipment designed for well water source exploration and drilling. It is widely used in ...

Find your multifunction drilling rig easily amongst the 230 products from the leading brands (SANY, SOILMEC, Hengwang, ...) on DirectIndustry, the industry specialist for your ...

Our factory mainly produces water well drilling rigs, core drilling rigs, down-the-hole drilling rigs, pile drivers, etc. The products have been exported to ...

The drilling rig can be drilled using compressed air down-hole drilling technology in various formations, drilling holes in rock with high drilling speed. This series of drilling rigs has been ...

The company offers a full range of drilling rig products, including water well drilling rigs, core - drilling rigs, truck - mounted drilling rigs, photovoltaic drilling rigs, down - the - hole drilling rigs, ...

The 1200 type water well drilling rig is a light, efficient and multifunctional crawler-type full hydraulic drilling rig. It is high efficiency because of having a larger torque of the turntable and ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig

Multifunctional crawler down-the-hole drilling rig processing and customization

is a powerful and versatile machine used in the ...

HCR-8 Full Hydraulic Core Rig - an up-to-date Multifunctional and high capability product is a thoroughly new-type hydraulic core drilling developed with ...

Find your crawler drilling rig easily amongst the 422 products from the leading brands (SANY, SOILMEC, Hengwang, ...) on DirectIndustry, the industry specialist for your professional ...

The 600 type water well drilling rig is a light, efficient and multifunctional crawler-type full hydraulic drilling rig. It is high efficiency because of having a larger torque of the turntable and is mainly ...

KYRC350 reverse circulation drilling rig is a new, efficient, environmentally friendly and multifunctional crawler drilling rig. It uses double-wall drill pipe. After the inner tube is ...

BDM-200SM is a small crawler type hydraulic water well drilling rig with 55KW diesel engine, drilling depth of 200m, the hole diameter is 140-325mm. We ...
