

Multifunctional drilling rig

HDL series drilling rig is top drive type multifunctional drilling rig which our company design and manufacture for complex formation according to market request.

XMZ200 multifunctional drilling rig is mainly used in the construction such as pile anchor support for foundation and landslide, geological prospecting/pipe ...

The multifunctional rotary drilling rig market is witnessing a strong shift towards AI-powered systems that enhance drilling precision, reduce downtime, and optimize machine ...

SW-300C Multifunctional Underground Water Borehole Drilling Rig is used for drilling wells, agricultural irrigation wells, geothermal wells and other types of ...

High quality Multifunctional Rotary Water Well Drilling Rig Machine With Crawler Pneumatic from China, China's leading product market 800m geothermal drilling rigs product, with strict quality ...

SH series multifunctional drilling rigs with large triangular structures, ensuring strong load bearing capacity, good stability and increased adaptability to hard rock drilling.

The small multifunctional drilling rig offers unmatched versatility, efficiency, and precision, making it an essential tool for a wide range of construction projects.

Find out all of the information about the Beretta Alfredo product: multifunction drilling rig T209. Contact a supplier or the parent company directly to get a ...

YG series water well drilling rig suitable for drilling wells, agricultural irrigation wells, and other wells. Multifunctional drilling rig.

This kind of drilling rig can be used for prospecting, exploration, bridges, hydropower, grouting, multifunctional drilling rig, water well drilling, geological exploration, etc.

The core drilling machine adopts a long-stroke double-speed mechanism and a mechanical power head with a stroke of 3400MM to improve drilling efficiency ...

Some contractors need a drill that does it all. Configurable for various drilling techniques in exploration, geotechnical or construction, our heavy-duty multipurpose drilling equipment has ...

Short Description: The SU series multifunctional tracked pile frame is a hydraulic tracked multifunctional

Multifunctional drilling rig

drilling rig independently developed by HEBEI SINOVO ...

High quality Multifunctional Rotary Water Well Drilling Rig Machine With Crawler Pneumatic from China, China's leading product market 800m geothermal ...

Global-CE Multifunctional drilling rig channel provides Multifunctional drilling rig sales information, the latest price of Multifunctional drilling rig, Multifunctional drilling rig configuration, ...

Short Description: SDL series drilling rig is top drive type multifunctional drilling rig which our company design and manufacture for complex formation according to market request.

Find your multifunction drilling rig easily amongst the 230 products from the leading brands (SANY, SOILMEC, Hengwang, ...) on DirectIndustry, the ...

The MDT 230 B drilling rig model is positioned in the average-big size segment of multipurpose drilling rigs. Excellent qualities in terms of manoeuvrability, ...

The pneumatic crawler drill rig is a multifunctional high-efficiency drilling rig, which integrates the functions of rhinestone and air drilling. It has the characteristics ...

Multifunctional Drilling Rig Surface Down-The-Hole Drill Rig Product Type All Multifunctional Drilling Rig 3 Order Online Product Type Core Drilling Rig (3) Fracturing Truck (1) Deep Well ...

XMZ200 The multifunctional drilling rig can use a top drive power head to achieve down-the-hole hammer drilling and roller drill bit drilling.

HDL-100C drilling rig is super jet grouting drilling rig which our company design and manufacture for complex formation according to market request.

Crawler and truck mounted hydraulic drilling rigs with a pull up capacity ranging from 10 to 30 tonnes, designed and optimized for the construction of water ...

XMZ120A multifunctional drilling rig is applied to the construction of anchor bolt support drilling, slope support drilling, tunnel grouting drilling, and tunnel ...

Find out all of the information about the BAUER Maschinen GmbH product: multifunction drilling rig BG 36 H BS 95. Contact a supplier or the parent company directly to get a quote or to find ...

The multifunctional drilling rig can be available for anchoring engineering, high pressure jet grouting pile, horizontal rotary jet and pipe roof. Our drilling ...

Multifunctional drilling rig

600Meter rotary table truck mounted water well drilling rig 1.HRMC-600 is a truck mounted and a rotary table drilling rig. 2.The truck chassis adopts the special heavy truck chassis, the main ...

Product Detail Products Description HDL-200D HDL series drilling rig is top drive type multifunctional drilling rig which our company design and manufacture for ...

· The preferred model in the field of soil and rock layer construction, smooth compound movement control, adjustable torque and rotation speed of rotary ...
