

Multipurpose drilling rig

XDR1200 Multi Purpose Drill Rig The XDR drilling rig platforms have evolved over 20 years of rugged field evaluation in Australia. Our XDR1200H is the culmination of this infield ...

3. Growing focus on environmentally friendly drilling rigs with reduced emissions and improved energy efficiency. 4. Rising adoption of multipurpose drilling rigs in offshore drilling activities to ...

MultiPurpose Drilling Explore our complete range of products, all designed to help you achieve the highest possible productivity with the lowest possible maintenance costs within the mineral ...

TECHNICAL SPECIFICATION The SCX DE881 is a heavy duty multi purpose exploration drill rig, it is the industry benchmark in performance and offers more depth capacity in both diamond ...

The MC 12 is a versatile and powerful hydraulic drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and ground ...

JDL280 280m Top Drive Multipurpose Drill Rig Deep Well DTH Rock Blasting Downhole Crawler Water Well Drilling Rigs JDL-280 drilling rig is a ...

The EDM47K-MP Drill is a versatile multi-purpose drill designed to be simple to operate and easy to maintain in the field. The rig uses many characteristics ...

On many multipurpose rigs, if the mast is set up perpendicular to the centerline of the drill rig it becomes difficult for the driller to see the ...

CMR1000A is a heavy duty multipurpose drill rig with the ability to perform both core drilling and reverse circulation drilling as well as rotary drilling capabilities.

Multi purpose drilling rigs GTC is multipurpose drilling rig designed for professional and frequent use. Machine is easy for handling and operating. Complete system is hydraulic powered with ...

Learn the advantages of investing in multi-purpose drill rigs for your drilling projects, and how Drilltechniques can provide versatile, efficient ...

WATER WELL & GEOTHERMAL Multipurpose drill rigs Single head systems Hydraulic crawler mounted drilling rigs, with a pull up capacity ranging from 7 ...

Dando's compact, versatile Jackal 4000 multipurpose drilling rig can be used for various geotechnical,

Multipurpose drilling rig

mineral, water well and GSHP drilling applications.

Some contractors need a drill rig that does it all for exploration projects. They expect the rig capable of various drilling techniques in exploration, such as wireline / conventional coring and ...

JDL280 280m Top Drive Multipurpose Drill Rig Deep Well DTH Rock Blasting Downhole Crawler Water Well Drilling Rigs JDL-280 drilling rig is a mechanical top-drive drilling equipment that ...

Apafor® 800 Multipurpose FS300-Explo drilling rig Multipurpose drill rig for deep drilling in both air RC and core drilling, ideal for high productivity mining ...

The powerful Jackal 9000 multipurpose drilling rig performs a wide range of drilling techniques for water well, mineral, geotechnical and GSHP applications.

50K lbs. rated working capacity Topdrive Air/Mud Rotary with Casting Hammer Multipurpose Drill Rig. Drilling methods also include direct air, wireline coring, ...
