

Nabors drilling rig locator

What rigs does Nabors use?

Drilling Fleet: Nabors has a diverse fleet of drilling rigs that are designed for different drilling environments and applications. This includes land-based rigs, offshore rigs, and specialty rigs equipped for specific drilling challenges. **Global Presence:** Nabors is a global company with operations in many of the world's major oil and gas regions.

What is a Nabors MPD-ready rig?

Nabors MPD-Ready rigs feature integrated hardware and software components, and required flow paths, to ascertain the downhole pressure environment limits and manage annular hydraulic pressure during drilling operations. All equipment skids with rig, eliminating non-productive time when moving between wells for multi-well pad drilling.
