

National Tunnel Anchor Crawler DTH Drilling Rig

Anchor drilling rig is widely used in hydropower station, railroad, highway slope reinforcement, landslide management and other projects, especially for high slope rock anchoring projects. ...

RC168Y Hydraulic crawler mounted anchor drilling rig,with 93KW cummins engine,it drill max 150m depth,100-300mm diameter,this drilling rig is mainly ...

Small DTH drilling rigs are suitable for small and medium-sized mines and road construction, large-diameter borehole drilling in national defense water conservancy and stone engineering, ...

RC168Y high air pressure crawler hydraulic DTH drilling rig has the advantages of low energy consumption, high efficiency, convenient field performance and ...

Customization! Bdy380CD Tunnel Anchor Crawler Hydraulic DTH Drilling Rig FOB Price: US \$30,000-32,000 / Piece Min. Order: 1 Piece Min. Order FOB Price 1 Piece US \$30,000 ...

We have gained an arsenal of drilling techniques including down the hole hammer DTH, lost bit drilling, using blow out preventers when drilling into artesian water pressures, ...

ZML-120 crawler type multifunctional drilling rig used for tunnel projects It is especially suitable for drilling in gravel and crushed strongweathered rock ...

Hutte hydraulic drilling rigs for micropiles and ground anchors for new and existing foundations, ground stabilization, and soil investigation.

Features 1) The median multifunctional tunnel drilling rig is a compact drilling rig, which is suitable for construction in space limited sites. 2) The mast of the ...

Established in June, 2003, Lanteky® Machine is a professional manufacturer and supplier of engineering machinery. We are specialized in MD series anchor drilling rigs, MDL series ...

Hot Tags: eccentric drilling, China eccentric drilling manufacturers, suppliers, factory, sandvik dth hammers, DHD340 DTH Hammer, drill bit for granite rock, halco hammers, best drill bit for ...

Crawler Anchor Drilling Rig 6 Features: The crawler anchor drilling rig is compact, energy-efficient, low-noise, and environmentally friendly. The machine adopts ...

National Tunnel Anchor Crawler DTH Drilling Rig

XDGJ series fully hydraulic crawler-type high-lift drilling rigs are mainly used in landslide and dangerous rock mass anchoring projects in the prevention and control of various ...

Description of our small hydraulic crawler portable diesel DTH borehole drilling machine HC725B1: LEAD HC725 Series Crawler DTH drilling rig is mature developed DTH drilling rig. ...

XDH-180 Crawler Mounted DTH Drill Rigs Manufacturers Brief Introduction The XDH-180 series crawler open-pit down-the-hole drill rig is a new type of down-the-hole drill ...

The upright is slide and meets the construction requirement of anchor rod. Drilling with casing tube could be completed by equipped with down hole hammer and overburden drilling system.

Anchor Drilling Rig SA-150Q For Deep Foundation Pit Support Engineering SA-150Q crawler-type hydraulic anchor drilling rig is the professional soft soil ...

Choosing the Right DTH Drilling Rig When selecting a DTH drilling rig, consider: Hole diameter and depth Type of terrain and rock Compressor capacity Mobility (truck ...

YG mainly sales anchor drilling rig, DTH drilling rig, water well drilling rig, core drilling rig, shot blasting machine, etc. Customers are distributed all over ...

The crawler-mounted drilling rig is particularly designed for drilling big holes, such as blastholes and photovoltaic holes. Equipped with an enhanced gearbox and two rotation motors, the DTH ...

The anchor drilling rig is mainly used in landslide and dangerous rock mass anchoring projects to prevent and control various geological disasters of hydropower stations, railways, and highway ...

Hengwang piling machinery products mainly include solar piling machine, crawler rotary drilling machine, And Multifunctional Pile Driver; widely used in all kinds ...

JK Drilling, a professional drilling equipment manufacturer, provides a wide range of DTH drilling rigs that feature high efficiency, high quality and high cost ...

SA-150Q Hydraulic Multi-functional Anchor Drilling Rig could achieve various drilling method, good performance for complex geological conditions, suitable ...

High Torque Crawler Drilling Rig Machine for Pile Foundation Engineering Construction Drilling with Diesel Engine /High Efficiency /Eaton Swing Device Dr-100 US\$76,800.00-79,800.00 1 ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig

National Tunnel Anchor Crawler DTH Drilling Rig

is a powerful and versatile machine used in the ...

OVERVIEW Featuring our advanced drilling system, Soosan Crawler Drills are robust deliver high penetration rate and efficient, reliable performance for hard ...

Witness the power of the fully hydraulic crawler high-lift anchor drill rig, live on the construction site. It excels in various geological disaster prevention and control projects, including ...

When it comes to drilling in confined spaces, crawler rigs offer an ideal solution. These compact yet powerful machines are designed to operate in tight environments while ...

CM458 internal combustion (CM458D Electric) crawler mounted versatile anchor rig adopts diesel engine and hydraulic oil pump assemblies to provide power, ...

Home » Products » Drill Rigs and Rock Drills »KM311 Underground Mining Bolting rig Get Operation Manual KM311 hydraulic rock bolting rig is specially designed for the construction of ...
