

National oilwell m2000 drilling rig

What is a Nov mobile rig?

The NOV Mobile Rig product line is a result of intentionally listening to our customers and producing rugged drilling rigs that withstand the physical demands of the industry while focusing on safety. Our designs increase the safety level by interfacing the machinery with technologically improved controls and easier-to-read digital instrumentation.

What is a 2000 hp National 1320-ue rig?

2000 HP National 1320-UE Diesel Electric Drilling Rig Specification This rig is being offered with the following inventory as a package. The rig package being offered is a US made 2000HP Diesel Electric Complete Land Rig package. This rig was originally built and packaged in 2008. This rig has been drilling since then in Texas.

Why should you choose Nov drilling rigs?

Offering a variety of innovative designs, our drilling rig portfolio is focused on optimizing your drilling operations. Whether you need desert rigs or you're drilling in the Arctic, when you choose NOV you're backed by an industry leader with more than 170 years of drilling experience.

What types of drilling rigs do we support?

We design, build, and support the widest range of self-propelled and trailer-mounted well servicing, workover, and mobile drilling rigs in the world. We offer OEM support of Cabot(TM), Cardwell(TM), Cooper(TM), Franks(TM), Ideco(TM), Kremco(TM), National(TM), Skytop Brewster(TM), RMI(TM), and Wilson(TM) with certified service, repair, and replacement parts.

What services does a drilling company offer?

Instrumentation, data acquisition and analysis technology, and wellsite reporting software make sure you're getting the most out of your drilling program. We also offer solids control and waste management equipment and services, as well as a range of oil- and water-based drilling fluids systems.
