

Oil rig drill size snowrunner

SnowRunner is an off-roading open-world simulation video game where the player's job is to deliver cargo, complete construction projects and/or repairs at different ...

Because you're trying to deliver a construction rig as an oil drill, you get the drill in Smithville Dam, the buildings next to your garage. You will need a 5-slot trailer for the drill.

Each cargo has a length measured in slots, defining whether it can be packed or not on the beds. Cargoes visually placed on blue pallets were designed to be ...

Didn't realize the Oil Rig Drill was gonna be so big. Managed to drag it home on a 2-slot flatbed. Can I deliver unmounted cargo or do I need to get it secured onto a semi trailer? Currently stuck.

The game doesn't care in the slightest how you get your cargo from pickup to delivery, but it flatly refuses to accept delivery if the cargo isn't packed. It's an iron-clad rule in this game, for every ...

SnowRunner is an off-roading open-world simulation video game where the player's job is to deliver cargo, complete construction projects and/or repairs at different locations while driving over ...

Once you have the saw mill working, load up on wood and drive to the first drill site, repair the bridge and come back to the corner of the map with the drilling equipment. Drop it off, then ...

The oil rig drill isn't a trailer, it's a cargo. It's available at the service hub next to the Smithville Dam garage. Watch out as it's 5 slots, and one of the paths to get to the site really ...

a Requires Small Log Carrier add on b Requires Log Trailer or Caterpillar 745C log carrier add on c Requires Log Carrier Front (add on) + Log Carrier Rear (trailer)
