

Portable water well drilling machine for sale

What is a portable water well drilling rig?

Portable water well drilling rigs are specialized machines engineered to bore holes into the earth to access underground water sources. Unlike larger industrial rigs these compact units are tailored for shallow to moderately deep wells typically ranging from 100m to 200m depending on the model and geological conditions.

What is a portable drilling rig?

Small rigs can drill boreholes near grazing areas improving herd management. In emergency situations such as droughts or natural disasters portable drilling rigs provide rapid deployment of clean water sources. Construction companies and environmental consultants use compact rigs to collect soil samples or install monitoring wells.

Can you drill your own well?

You can drill your own well and have access to all the water you'll ever need. Many city residents are now drilling home water wells as an excellent alternative to chemical tasting municipal water. The quality of well water is simply unmatched. With city water rates soaring, well drilling provides an economical alternative.

What is a versa-drill water well drill rig?

All Versa-Drill water well drill rigs are equipped with our patented direct-drive hydraulic feed system. That means no cables or chains to adjust. It means no expensive maintenance. It means better safety for you and your team. Set atop a RAM 5500 Tradesman, the V-12 water well drilling rig is the most compact rig in the Versa-Drill fleet.

Should you buy a small water well drilling rig?

Purchasing a small water well drilling rig is a financially viable alternative to hiring professional drilling services particularly for recurring needs. For instance farmers requiring multiple irrigation wells or developers working on rural housing projects can achieve significant savings by investing in their own equipment.

Which rig is best for water well drilling?

Set atop a RAM 5500 Tradesman, the V-12 water well drilling rig is the most compact rig in the Versa-Drill fleet. No commercial driver's license required. Water Well, Geothermal, Exploration, Cathodic Protection. Lightweight yet powerful, the Versa-Drill V-125X showcases unmatched performance that makes it one of our top sellers.
