

Ranking of Italian engineering drilling rig manufacturers

Who makes the best drilling rigs?

Leading drilling rig manufacturers such as Epiroc, Atlas Copco, Sandvik, and Fraste each have distinctive strengths in operational depth and pressure handling.

What is the European drilling rig market?

Get hard to find intelligence on your customers, suppliers, partners and competitors-backed with on-the-ground data. Market Characteristics: The Europe Drilling Rig Market is characterized by a fairly fragmented structure, where numerous companies, including both local and global players, are vying for market presence and profitability.

What makes our drilling rigs a high-quality and versatile product?

The focus on drilling work, the flow of information between customer manufacturer and the use of up-to-date engineering technology have all helped make our drilling rigs a high-quality and versatile product. We offer feasibility studies and carry out turnkey drilling systems based on particular specifications and individual customer requirements.

What types of drilling rig equipment are available?

Their comprehensive portfolio of drilling rig equipment, including top drives and mud pumps, is designed for complex drilling processes, emphasizing safety and automation. Our complete portfolio drilling rig equipment includes top drives mud pumps, drawworks, iron roughnecks up to the latest innovative Stinger, for complex drilling rig processes.

What factors affect the drilling industry in Italy?

When exploring the drilling industry in Italy, several key considerations come into play. The regulatory landscape is particularly important, as Italy adheres to strict environmental regulations governing drilling activities, which can affect project timelines and costs.

Who are the major players in the European drilling rig market?

Major Players and Their Characteristics: Key players in the Europe Drilling Rig Market include Saipem SpA, Noble Corporation PLC, and Schlumberger Limited among others.

We have the expertise to deliver the turn-key projects and/or the engineering services you desire. Jelec delivers, whether it is comprehensive engineering solutions for a new drilling facility, ...

28 Rock Drill Manufacturers in 2025 This section provides an overview for rock drills as well as their applications and principles. Also, please take a look at the list of 28 rock drill ...

Ranking of Italian engineering drilling rig manufacturers

They offer a comprehensive range of equipment including drilling rigs, production systems, downhole tools, and engineering services. Delta is ...

Italian Drilling Consultants sells both second hand and brand new well drilling machines as well as machines for special foundations from the best brands. Our company provides professional ...

In the world, there are hundreds of player, who making the Drill Rigs from one century ago. Their drilling machine cover almost all drilling ...

At Casagrande, we provide piling rigs, crawler drills for micropiling, anchoring, and jet grouting, diaphragm wall equipment, and tunnel consolidation solutions ...

Offshore Oil Rig Manufacturers specialise in offshore drilling and rig construction. These rigs drill into the ocean floor to extract oil or gas and ...

WEI srl is a long experienced drilling rig manufacturer for Oil& Gas, Geothermal and Water wells. WEI thanks to its many qualifications and high level technicians carries out on-site surveys, ...

28 Rock Drill Manufacturers in 2025 This section provides an overview for rock drills as well as their applications and principles. Also, please take a look at ...

Our drilling machines are used in GSHP systems, engineering geological investigation, water well construction, water conservation industries. We specialize in engineering top-of-the-line ...

By following this checklist, you can systematically evaluate potential drilling rig manufacturers and select a supplier that aligns with your ...

Kiran Engineers is an ISO 9001:2015 certified company manufacturing top quality water drilling & mining rigs for more than three decades. Designed and ...

Massenza, from Italy, are one of the longest established Drilling Rig manufactures in Europe. With over 100 years of experience, they are present all over the ...

Leading Manufacturer of Down-the-Hole (DTH) Drilling Equipment for Mining, Construction & Water Wells. Premium products at fair prices. Get a Quote Today!

The focus on drilling work, the flow of information between customer manufacturer and the use of up-to-date engineering technology have all helped make our ...
