

Reddit drill rig locations

Probably my favorite random location so far. I have been quite heavy on the exploration gameplay and was starting to get bored by the 100th listening ...

Very high overhead costs for tooling and supplies, insurance is high with drills as well. On top of all that, purchasing a drill rig is large. You have to ensure you have good employees and there ...

A couple of things, I think the drill bit is a 5 slot cargo so you need a trailer with at least 5 spaces, so a 4 wouldn't work. The last trailer you have to get (drilling mud tank/mixer) is massive and ...

The story follows an electrician who is trapped on a damaged oil drilling platform in the North Sea in 1975, having no ways to escape while being pursued by a mysterious monster under harsh ...

If you ever wanted to find an oil rig on google maps, just zoom in on those dots in eastern Tierra del Fuego . There's plenty of them! The coordinates: ...

Where can I drill for oil on land? Question/Help, oil drilling I got some oils drills from the steam workshop, problem is, where do I even spawn them in the ...

I figured out you can get drilling spare parts from the logistics depot in the dam. A bit of a drive and terrible access but i managed to get a the navistar with a ...

1600 - Sweepers 1630 - Depart If you are within 50 miles of your drilling location, typically they don't provide lodging, so yes; you would be expected to go ...

someone in the official discord said their water pump was pulling oil. I tried asking them where, but they'd already moved it and can't remember where they were before. On a whim, and ...

Hi, my drill is a 5 hour drive from where I live. Is it possible to drill with another unit? I'm new to my current unit, so I don't want to overstep by asking, but I would save a fortune in gas money ...

Pedantic time - production platform, not drilling platform. This is what they put over an oil field after the drilling rigs have done their work. This collects the oil ...

While we're at it, this thread includes a link to a weakaura which automatically gives you a tomtom waypoint when it detects the "drill rig activated" chat ...

The Drilling is a triple barrel rifle of which 2 are rifle barrels and 1 shotgun barrel. The 2 rifle barrels can be

Reddit drill rig locations

shot in quick succession and with the swap fire mode key you can activate the ...

It's nearly all tarmac roads this time, but you should still use a heavy truck to complete the contract Drill Rig Disassembly [15/27]. Back in Mountain River ...

15 votes, 37 comments. trueI've put hinges on fresh undrilled ikea doors before, you just use the forstner bit first, stick the hinge in the cup, and mark the screw ...

This is the type of information that should be in the ingame codex. Just like trailers and their required saddles and sizes. Eg: yesterday I had to move a heavy fuel trailer from somewhere ...

I figured out you can get drilling spare parts from the logistics depot in the dam. A bit of a drive and terrible access but i managed to get a the navistar with a semi trailer there and back

You need to talk to your NOSC Command Career Counselor and submit a TRUIC change. This is a change to your "Training UIC" or drilling unit. It's fairly simple.

There are various kinds of oil rigs. It is important to position the drill rig, the drilling machinery over the hole it is drilling. A common practice is to build the oil platform somewhere, tow it to the ...
