

Rig drilling solutions

Who is Rig Integrity Solutions?

Rig Integrity Solutions provides a unique technical turnkey asset integrity services for all your Inspection, Maintenance and Consultancy needs globally, through providing our clients the right tailored service: Our Services The unique tailored services provide our clients with a One Stop Shop option for the drilling rig owners and operators.

Who is Global Drilling Solutions?

Global Drilling Solutions Inc. (GDS) specialises in the supply of equipment and service solutions to the international oil and gas industry. Global Drilling Solutions custom solutions are aimed at helping customers get the best from their well activities.

What is rig equipment?

Our Rig Equipment team designs, manufactures, and sells land rigs, complete offshore drilling packages, and drilling rig equipment and components designed to mechanize and automate complex drilling rig processes. Our prolific portfolio includes several industry-first equipment innovations including the top drive and iron roughneck.

Who operates a drill rig?

Operator or Driller: A person operating the drill rig. They may also be the driver of the rig if it is a carrier mount.

Where can I buy and sell drilling rigs?

GovPlanet is a place where you can buy and sell Drilling Rigs from any all manufacturers, including brands such as Casagrande, Hutte, Lee C. Moore, Soilmec. Browse the latest Drilling Rigs available in our auctions, including Misc. Drilling Rig Components and Drilling Rigs.

How can integrated drilling technology help you save money?

Achieve significant cost savings in your drilling operations with integrated drilling technologies and efficient pipe recovery solutions. Seamless integration of advanced tools, digital platforms, and automation helps minimize operational costs through faster penetration rates, reduced non-productive time (NPT), and fewer required trips.

Whether a job entails directional drilling, directional boring, horizontal directional drilling, open trench excavation or a combination of multiple services, Riggs Fiber prides itself in tackling ...

Global Rig Solution Oilfield offers flexible design solutions at an optimum cost and faster turnaround time that help our customers meet their business objectives consistently and cost ...

Rig drilling solutions

We deliver comprehensive rig management solutions, ensuring efficient operations, reduced downtime, and compliance with global standards for onshore and offshore rigs.

Home » Drilling Rig drilling rig Daswell offers a range of high-performance drilling rigs suitable for geological exploration, water well drilling, and construction ...

Whether constructing, operating, maintaining or upgrading wells, GDS is able to provide solutions that make a positive impact on your well's activity performance.

Home » Drilling Rig drilling rig Daswell offers a range of high-performance drilling rigs suitable for geological exploration, water well drilling, and construction foundation projects. Engineered ...

Our cutting-edge digital drilling solutions harness the power of automation to revolutionize efficiency, precision, and safety in drilling operations. By ...

Drilling Solutions provides high-quality drilling rigs, air compressors, mining, quarrying, core drilling, geothermal drilling rigs and construction machines.

Efficient drilling solutions The DrillAir range provides one of the highest air volumes at one of the highest air pressures available in the portable compressor industry. This also makes these ...

Malcolm Drilling provides specialized geotechnical drilling services, including deep foundations, dewatering, and earth retention solutions.

We provide comprehensive aftermarket product and service solutions for our rig, marine, and construction equipment, which is located on thousands of drilling ...

Drilling services from Baker Hughes help deliver the full value of your drilling operations with comprehensive solutions to drill, steer, and land your wells--precisely, safely, and smoothly.

With the rich work experience, we provide product and process engineering solutions to upstream and downstream oil and gas industries, both in greenfield and brownfield projects.

HDS is using custom-designed Discovery II heli portable drill rigs which are manufactured by Multipower Products in Canada. The Discovery II is able to operate in extreme conditions and ...

Managed Pressure Drilling Delivering safe and efficient wells with Managed Pressure Drilling (MPD) technology and solutions. We provide turnkey ...

Experience the Future of Borehole Drilling with Drillrigy. With our unwavering commitment to delivering unrivaled quality and performance since 1998, we ...

Rig drilling solutions

At ECDS, we deliver innovative, cost-effective, and high-quality drilling solutions on a global scale. With three generations of expertise and an extensive professional network, we ensure top-tier ...

Drilling Rig Leasing Services Looking for reliable, high-performance rigs for your drilling projects? Our rig rental solutions offer state-of-the-art equipment tailored to your specific needs. From ...

3 days ago In drilling operations, faults, as a common structural geological phenomenon formed by tectonic movements within the Earth, pose many challenges to drilling work. As a ...

Discover premium drilling consumables, systems, and equipment solutions in Middle East(Dubai, Sharjah, UAE, Saudi Arabia, KSA) and Central Africa(Congo, Angola) to enhance your drilling ...

Global Rig Contractors AB is a world-class leader in oil and gas rig operations. With a global footprint, we are dedicated to delivering innovative solutions that power the energy sector and ...

Sendero mission is to deliver unmatched drilling, well services, and environmental solutions by prioritizing service excellence, uncompromising safety, and the ...

Complete drilling systems and solutions for construction, Industrial, mining and quarrying industry and we are representing well known brands in construction ...

In consideration of true demand of assets owners with creative thought and strategy, AMERIG hand in hand with world class manufacturers and service ...
