

Rigid drill set review

Is Ridgid r86115 a good cordless drill?

With more torque than the similar Ridgid R86115, Ridgid has moved significantly higher up our best cordless drill charts. This also holds true for the 4-Mode R862312 18V brushless impact driver. If you can afford it, this Ridgid combo kit gives you the very best starter tools the company has to offer.

What are the best Ridgid combo kits?

Following are our picks for the best Ridgid combo kits based on various applications and priorities. By far, this Ridgid 18V brushless hammer drill (R861152) demonstrates the fastest and most powerful hammer drilling times yet. With more torque than the similar Ridgid R86115, Ridgid has moved significantly higher up our best cordless drill charts.

Which Ridgid 18V brushless hammer drill is best?

By far, this Ridgid 18V brushless hammer drill (R861152) demonstrates the fastest and most powerful hammer drilling times yet. With more torque than the similar Ridgid R86115, Ridgid has moved significantly higher up our best cordless drill charts. This also holds true for the 4-Mode R862312 18V brushless impact driver.

What is the difference between Ridgid drill & drill?

Both tools feature Ridgid's brushless motor technology for increased runtime and extended tool life. The Drill has a two-speed gear train. The first gear or low speed allows for higher power and torque, and the second gear or high speed is best for fast drilling and driving. The Drill also has adjustable torque settings.

What are Ridgid's newest 18V brushless tools?

So read on to check out our tool-by-tool breakdown on some of Ridgid's newest 18V brushless tools. The first tool we grabbed from the Ridgid 18V Brushless combo kit was the Ridgid R86115B Hammer Drill & Driver. The hammer drill is an irreplaceable tool in our cordless arsenal.

Which Ridgid tools are best?

Of all the Ridgid tools we tested in the R9225 4-piece combo kit, the R862311B was near the top of the list. This is partly because we LOVE 1/4 in. impact drivers. It's also partly because the R862311B impact driver again provided a no-frills, reliable PRO caliber impact driver. **when compared to R86039 Brushless Impact Driver

MSRP: \$199 (includes two 2.0Ah batteries, charger, carrying case) The tool Ridgid's lineup reinvention continues with the R97801 18V ...
