

## Rigid impact drill r86034

What is a Ridgid r86034 X4?

Ridgid R86034 X4 18V Lithium Ion 1750 LBS Torque 1/4 Inch Hex Shank Impact Driver (Battery Not Included, Power Tool Only) One of these items ships sooner than the other. You can make repairs around the house yourself with the Ridgid R86034, a powerful yet compact impact driver.

How much torque does a Ridgid r86034 have?

At up to 3,100 impacts per minute and 1750 pound-inches of torque, this tool's brushed motor can keep up with most DIY repairs or construction projects around the house. Beyond the motor, the R86034 has plenty of features to keep you coming back to Ridgid.

How does the impact driver r86034 work?

**LED LIGHTING:** Unlike competing Impact Drivers, the R86034 offers an independent trigger for the lighting system. This way, there is no need to activate the driver itself for the lights to turn on **RUBBER COATING** affords extra protection from dropping the tool.

What is a Ridgid 18V X4 impact driver?

1-800-628-0525. Ridgid's 18V X4 Impact Driver is the most compact in its class with superior power-to-weight ratio. It offers 1,750 inch lbs. of torque for the most demanding applications and features an innovative quick-load bit holder that makes bit changes quick and easy with a snap load collet and simple ejecting bit release.

What makes the r86034 a good car?

In addition to the lighting, the R86034 boasts exceptional portability. No matter your handedness, it can stay on your person at all times with the detachable belt clip that hooks onto both sides of the driver. Once gripped, you're unlikely to let go until the job is done.

How do I contact r86034?
