

Rigid x2 drill replacement battery

Are Ridgid drill batteries genuine?

This is another Ridgid Lithium-ion replacement battery that is genuine and built to satisfy all user's battery wants. Ridgid R86006 Drill Replacement 18V Li-Ion 3.0 Ah Battery a pack of two batteries that are all in good condition. Compatibility and versatility were all major concerns during the building of these batteries.

What is Ridgid r840086 lithium ion battery pack?

RIDGID introduces the 18V 2.0 Ah Lithium-Ion Battery Pack (2-Pack). These 2.0 Ah batteries will give the user up to 2X more runtime and 2X longer life compared to standard lithium-ion batteries. Each of these new batteries will be 10% more compact and 10% lighter compared to the previous model (R840086).

How do I return a Ridgid battery pack?

Schedule your delivery in checkout. Return this item within 90 days of purchase. AI-generated from the text of manufacturer documentation. To verify or get additional information, please contact The Home Depot customer service. RIDGID introduces the 18V 2.0 Ah Lithium-Ion Battery Pack.

Is RIDGID a good cordless drill & impact driver?

Surprisingly to me, this lower weight noticeably improves the handling of my Ridgid cordless drill and impact driver. I give four instead of five stars due to the elimination of the rubber pad on the bottom of the battery. However, if this is of little concern to you, then the reduced cost and mass of the battery make it a good choice.

Is Ridd 18V a good battery?

RIDGID 18V 2.0ah battery is a great addition to your RIDGID tools line up or can make a great starter if you are new to RIDGID line up. I have many RIDGID tools and swapping and recharging batteries can get frustrating when you are in the middle of a project.

Are Ridd lithium-ion batteries a good choice?

However, if this is of little concern to you, then the reduced cost and mass of the battery make it a good choice. Seed Program Review (What's this?) Helpful? Give your military and aerospace applications a professional upgrade with the selection of this RIDGID Lithium-Ion Battery. Offers lasting durability.
