

Rock bit

Who is premium rock bit?

Premium Rock Bit Corporation is a Houston, TX based drilling supply company. Founded initially to pursue the new and new surplus drill bit industry the company quickly grew to also include other drilling related products. Today Premium supports clients in North America, South America, Europe, the Middle East, and Asia.

Which drill bits are best for rock drilling?

Nothing is more important to rock drilling success than drill bits that cut straight and fast through all types of rock. That's why CENTER ROCK INC. offers our customers the best value in DTH bits.

What is a tricone rock bit?

Tricone Rock Bits provide outstanding performance along with outstanding reliability and simplicity. Drilling Supply Store follows the IADC bit classification system in which the first three digits classify the bit according to the bearing/seal design used and the formation it is designed to drill.

How do I choose the right rock drill bit?

When it comes to drilling through the toughest rock formations, choosing the right drill bit is paramount. At Center Rock, we understand the challenges you face in the field. That's why we offer a comprehensive range of rock drill bits, including our premium DTH (Down-The-Hole) bits, designed for superior performance and durability.
