

Rotary drilling rig market report

What is the outlook for the rotary drilling rig market?

Globally, very few onshore regions are left yet-to-be-explored by oil companies. Hence, the offshore region is expected to provide an opportunity for the rotary drilling rig market. North America is expected to be the largest market for the rotary drilling rig market, with the majority of demand coming from the United States and Canada.

What factors will drive the rotary drilling rig market?

Factors, such as improved viability of deepwater and ultra-deepwater projects and the global demand for oil, which is expected to witness an annual growth rate of 1.2 million barrels per day (mbd) till 2023, are likely to drive the rotary drilling rig market during the forecast period.

Which region is expected to provide an opportunity for rotary drilling rig market?

Hence, the offshore region is expected to provide an opportunity for the rotary drilling rig market. North America is expected to be the largest market for the rotary drilling rig market, with the majority of demand coming from the United States and Canada. Report scope can be customized per your requirements.

What are the key players in the rotary drilling rig market?

The rotary drilling rig market is moderately fragmented. Some of the key players in this market include Schramm Inc., BAUER AG, Caterpillar Inc., SANY Group Co. Ltd, and Zoomlion Heavy Industry Science & Technology Co. Ltd among others.

How big is the offshore drilling rig market?

The Asia-Pacific market is projected to lead the offshore drilling rigs market by the year 2019, with an estimated market size of \$20.7 billion, followed by Latin America with \$20.38 billion, and Africa with \$19.62 billion. What is an Automated Drill rig?

What is a rotary drilling rig?

A rotary drilling rig is a type of drilling equipment that is applicable to cohesive soils, soil layers containing a small amount of gravel and pebble, and soft rocks.

Global Rotary Drilling Rig market size 2025 was XX Million. Rotary Drilling Rig Industry compound annual growth rate (CAGR) will be XX% from 2025 till 2033.

Rotary Blasthole Drilling Rig Market growth is projected to reach USD 7.5 Billion, at a 3.0% CAGR by driving industry size, share, top company analysis, segments research, trends and forecast ...

The data for the Rotary Drilling Rig Market is compiled through a combination of expert advice, primary research, and secondary research. Primary research involves gathering valuable ...

Rotary drilling rig market report

Global Rotary Drilling Rig Market Sales, 2016-2021, 2022-2027, (K Units) Global top five Rotary Drilling Rig companies in 2020 (%) The global Rotary Drilling Rig market was valued at 2567.1 ...

The global rotary drilling rig industry is anticipated to reach a valuation of XX million by 2033, expanding at a 3.50% CAGR from 2023 to 2033. Rotary drilling rigs are widely ...

The Business Research Company's Rotary Drilling Rig Global Market Report 2025 - Market Size, Trends, And Global Forecast 2025-2034

Several new trends are emerging in the worldwide rotary drilling rig market growth. One trend is the growing use of mechanized drilling rigs that make use of advanced ...

The global rotary blasthole drilling rig market is estimated to grow at a CAGR of 4.16%, during the forecast period of 2024-2032. Request a free sample report.

The global rotary drilling rig market, valued at \$2,625.8 million in 2025, is projected to experience steady growth, driven by increasing infrastructure development, particularly in ...

The global wheeled rotary drilling rig market is experiencing robust growth, driven by increasing infrastructure development projects worldwide, particularly in highway, railway, ...

The rotary drilling rig market size has grown strongly in recent years. It will grow from \$3.39 billion in 2023 to \$3.56 billion in 2024 at a compound annual growth rate (CAGR) of ...

This in-depth report provides a comprehensive analysis of the global mining rotary drilling rig market, projected to reach a valuation of \$8 billion by 2030. It delves into market dynamics, ...

The rotary drilling rig market plays a pivotal role in sectors such as oil and gas exploration, mining, and infrastructure development, with over 5,000 rotary drilling rigs operational globally as of 2024.

Rotary Drilling Rig Market Report: Industry Size, Market Shares Data, Latest Trends, Insights, Growth Potential, CAGR Forecasts to 2034 Global Rotary Drilling Rig Market Insights - Market ...

Discover the latest trends and opportunities in the Rotary Drilling Rig Market. By Location of Deployment, By Application and By Region with a competition forecast through 2028

The Global Multifunctional Rotary Drilling Rig Market was valued at USD 1.26 billion in 2024 and is projected to reach USD 1.31 billion in 2025. Over the forecast period from ...

Global Rotary Drilling Rig Market is expected to thrive during the forecast period 2024-2028 due to increased

Rotary drilling rig market report

viability of deepwater and ultra-deepwater projects and global demand for oil. A ...

Hydraulic Rotary Drilling Rig Market Dynamics The hydraulic rotary drilling rig market is a critical component of the global construction and mining industries. Hydraulic rotary drilling rigs are ...

With the market expected to grow due to these innovations, it presents opportunities for further advancements in drilling techniques and equipment, ...

Rotary Drilling Rig Market was valued at USD 2,745.15 million in the year 2024. The size of this market is expected to increase to USD 3,196.86 million by the year 2031, while growing at a ...

This comprehensive report provides a detailed analysis of the global rotary hydraulic drilling rig market, projected to reach a valuation exceeding \$8 billion by 2030. It ...

According to our latest research, the global rotary drilling rigs market size reached USD 9.84 billion in 2024, driven by robust investments in infrastructure, energy exploration, and water ...

According to our latest research, the global rotary drilling rig market size reached USD 12.4 billion in 2024, with robust expansion driven by surging construction, mining, and energy sector ...

The global rotary blasthole drilling rig market is expected to grow at a steady pace during the forecast period of 2021-2026. The market is primarily driven by ...

The rotary drilling rig global market report 2024 from The Business Research Company provides comprehensive market statistics, including global market size, regional ...

The report dissects the Global Rotary Drilling Rig Market into various segments. A detailed summary of the current scenario, recent developments, and market outlook will be provided for ...

What Is The Rotary Drilling Rig Market Size 2025 And Growth Rate? The rotary drilling rig market size has grown steadily in recent years. It will grow from ...

The Hydraulic Rotary Drilling Rig market size, estimations, and forecasts are provided in terms of output/shipments (K Units) and revenue (\$ millions), considering 2022 as the base year, with ...

Explore the Rotary Hydraulic Drilling Rig Market forecasted to expand from USD 3.5 billion in 2024 to USD 5.8 billion by 2033, achieving a CAGR of 6.1%. This report provides a thorough ...

The research report highlights the growth potential of the global Extended Range Electric Rotary Drilling Rig market. Extended Range Electric Rotary Drilling Rig are expected to show stable ...

Rotary drilling rig market report

The Rotary Drilling Rig market size, estimations, and forecasts are provided in terms of output/shipments (K Units) and revenue (\$ millions), considering ...

Hydraulic Rotary Drilling Rig Market Analysis- Industry Size, Share, Research Report, Insights, Covid-19 Impact, Statistics, Trends, Growth and Forecast 2025-2034
