

Russian Engineering Anchor Drilling Rig Company

Who makes USIC rigs?

OOO USIC-SERVICE (LLC) produces turnkey assembly of drilling rigs produced by USIC. Ural Siberian Industrial Company(USIC) - Russian manufacturer of completed drilling rigs for production and exploration drilling. Additionally,USIC manufactures drilling rigs components and units,as well as modernizes drilling equipment.

How many engineers are there in a drilling rig company?

More than fiftyhighly qualified engineers of the company are engaged in development of design and technological documentation according to customer technical specification,obtaining all permits necessary for commissioning and supporting manufacture of drilling rigs elements and equipment.

What types of drilling rigs does Uralmash produce?

Today "Uralmash Oil and Gas Equipment Holding" produces the following types of drilling rigs and equipment: o Mobile drilling rigs of 160 -- 250 tons load capacity (815-1180 HP). o Land drilling rigs of 160 -- 700 tons load capacity (815-3000 HP). o "Train"-type cluster drilling rigs of 160 -- 450 tons load capacity (815-2000 HP).

Where is the manufactured drilling equipment used?

The manufactured drilling equipment is widely used in Russia,CIS counters,Europe and Africa. The equipment meets modern requirements,successfully fulfills the tasks ahead of it. In addition,we manufacture all the required spare parts and drilling tools.

Which drilling rig is best for urban areas?

The drilling rigs has established itself as maneuverable in dense urban areas. For example the MBU series drilling rig,which is incredibly cost-effective. Small-sized drilling rig BBU 000 "Openok" is designed for engineering survey,seismic exploration and exploration drilling

How a modern drilling rig works?

The modern drilling rigs are up with the highest standards in safety and effectiveness of drilling works. The company introduces all available modern technologies. The manufacturing process is strictly controlled and all of the produced equi [ment undergoes testing on our own testing facility before being send to the customer.

The industry-trusted source for Drilling Equipment, Drill Rigs, Anchoring & Crawler Rigs, Piling Tools, Consumables and Parts, Drill Services and Consulting to ...

The company"s products such as water well drilling machines, down-hole drilling machines, core drilling machines, solar photovoltaic pile driver, anchor drilling ...

Russian Engineering Anchor Drilling Rig Company

The MGL-50 anchor engineering drilling rig is a mechanical power head type, hydraulic feed type engineering drilling rig, which has the characteristics of long drilling range, large drilling ...

As a leading rig equipment OEM and service partner, they offer comprehensive drilling rig solutions, aftermarket service support, and facilities engineering. ...

Production and sale of drilling equipment for geological exploration for solid minerals and related areas. Delivery in Russia, CIS and Europe.

It has more than 20 species such as water well drilling rig, core drilling rig, engineering drilling rig, DTH drilling rig, horizontal directional drilling rig, etc.

Anchor rigs have many common names, such as bolt drills, rock drills, bolt percussion drills and so on. The powerhead is an integrated design of impact and rotation and has the function of ...

Anchor drilling rigs, also known as anchoring drilling rigs or anchoring engineering drilling rigs, are powerful machines designed to drill ...

China Quality Anchor Drilling Rig and Tunnel Drilling Rig suppliers Sichuan Zuanshen Intelligent Machinery Manufacturing Co., Ltd., We are committed to ...

Foreign Trade Company 'ALLWE' is a diversified export and import company supplying high-tech equipment of Russian industrial enterprises abroad, as ...

China leading provider of Anchor Drilling Rig and Tunnel Drilling Rig, Sichuan Zuanshen Intelligent Machinery Manufacturing Co., Ltd. is Tunnel Drilling Rig ...

Facilities and Capabilities Arabian Rig Manufacturing (ARM) is the largest integrated rig manufacturing, drilling equipment, and aftermarket facility to date, spanning nearly 500,000 ...

Shannxi Xitan Geological Equipment Co., Ltd was established in 1958 as a specialized drilling rig manufacturer for more than 60 years. High-pressure jet grouting rigs, multifunctional ...

The Klemm Bohrtechnik company in Drolshagen, in the Sauerland region of Germany, is the centre of competence for anchor drilling rigs and small-diameter drilling within the BAUER ...

>> Application AK180 crawler anchoring drilling rig, horizontal dust removal and slope protection drilling rig is a high-efficiency and multi-functional drilling rig independently developed by the ...

Russian Engineering Anchor Drilling Rig Company

The company Anker-Geo was established in St. Petersburg in 2002. Our main goal and objectives are to provide Russia and EAEU constructors with high-tech and advanced drilling equipment.

Micropiles and Anchors 40+ years of experience in pile drilling equipment results in the design of micropile and anchor drilling rigs for the installation of high-capacity foundations.

Our company, having its own fleet of drilling rigs, high qualifications and many years of experience, is able to implement projects of any complexity related to field development.

The Foundation Pit Support Anchor Engineering Drilling Rig is crucial for ensuring the stability and safety of construction projects. By securely anchoring foundations, it prevents soil movement, ...

Discover the top 27 oil and gas drilling rig companies providing cutting-edge technology and sustainable solutions. Seadrill, Diamond Offshore and Valaris ...

The industry-trusted source for Drilling Equipment, Drill Rigs, Anchoring & Crawler Rigs, Piling Tools, Consumables and Parts, Drill Services and Consulting to the Drilling and Ground ...

Facilities and Capabilities Arabian Rig Manufacturing (ARM) is the largest integrated rig manufacturing, drilling equipment, and aftermarket facility to ...

Understanding the equipment and tools used in drilling rigs is essential for petroleum engineers and drilling engineers alike. These professionals rely on a wide array of ...

Global-CE provides you with Russia Anchor Drilling Rig product information, including Russia Anchor Drilling Rig brand, Russia Anchor Drilling Rig price, Russia Anchor Drilling Rig picture, ...

Our worldwide reputation of reliability is a reflection of our extensive engineering development, timely deliveries and excellent after-sale service. Drilmec is a truly global company but remain ...

Understanding the equipment and tools used in drilling rigs is essential for petroleum engineers and drilling engineers alike. These ...

Anchor drilling rigs, also known as anchoring drilling rigs or anchoring engineering drilling rigs, are powerful machines designed to drill deep holes into the ground for a variety of ...

Shannxi Xitan Geological Equipment Co., Ltd was established in 1958 as a specialized drilling rig manufacturer for more than 60 years. High-pressure jet ...

Our teams have more than forty years" experienced in specializing in small and medium-sized drilling rigs.

Russian Engineering Anchor Drilling Rig Company

We have introduced world advanced ...
