

## Sandvik rock drill lubricant

RDX5 rock drill is known for its exceptional durability. The robustness is achieved by less pressurized seams and simple design with only two moving parts. The design of the rock drill ...

Sandvik RD414 is a compact hydraulic percussive top hammer rock drill. It drills with air or water flushing. The rock drill is equipped with a stabilizer to control contact between the drill bit and ...

TECHNICAL SPECIFICATION Sandvik DU311 is a highly versatile and compact ITH longhole drill fitted with an onboard booster and designed for underground mining in 4 x 4 m or larger ...

The Sandvik RD927L is a hydraulic top hammer rock drill designed for surface drilling with a hole diameter range of 89 to 140 mm and a maximum depth of 36 meters. It features a heavy-duty ...

The extreme compact design of Sandvik H200 hydraulic percussive rock drill, when mounted on the TUC bolting head, provides to Sandvik bolters an ability to install bolts wherever it is need ...

Sandvik is a world-leader in the supply of mining and rock excavation tools and equipment. In addition to supplying your operation with the premium brand of rock tools, our range of added ...

My Sandvik customer portal My Sandvik customer portal enables you to purchase thousands of products, keep track of your fleet's data and manage your business directly online.

Ranger(TM) DX800 is a hydraulic, diesel-powered, self-propelled top hammer drill rig with an ergonomic cabin and rod handling system. Typical applications are ...

Sandvik RD535 is a hydraulic percussive rock drill with independent reversible rotation and low profile height. It is known of its hydraulic efficiency and high penetration rate. Sandvik RD535 ...

Flush eye with copious quantities of water while lifting the eye lids. If persistent irritation occurs, obtain medical attention. Rinse mouth thoroughly. In general no treatment is necessary unless ...

Sandvik RD314 is a compact, robust and universal hydraulic percussive rock drill. It is known for its hydraulic efficiency and high penetration rate. Sandvik RD314 has excellent serviceability ...

Part of global industrial engineering group Sandvik, Sandvik Coromant is at the forefront of manufacturing tools, machining solutions and knowledge that drive industry standards and ...

## Sandvik rock drill lubricant

plants, off road trucks, rock drill rigs, hydraulic ...

**TECHNICAL SPECIFICATION** Sandvik RD921S is a hydraulic top hammer rock drill designed for Surface top hammer rigs. It is capable of drilling  $\varnothing$ 64 - 89 mm holes up to 29 meters in depth. ...

That's why we can confidently guarantee their high quality and compatibility with specific models of drilling rigs. Regardless of their type, all units work with a ...

Sandvik RD106 hydraulic rock drill is designed for a maximum recommended hole diameter of 45 mm. Typical applications are foundation drilling, road cutting, trenching, bolting, line drilling in ...

Grinder Dynaset Grinder Sandvik RG100H Grinder Sandvik RG400 Chain feeds CF 100 x 32, 2 pcs Chain feeds CF 100 x 40, 2 pcs Drill steel pulling device with hydraulic front centralizer, left ...

**Hydraulic rock drill HL1560T APPLICATION** HL1560T hydraulic rock drill is designed for surface long-hole drilling of  $\varnothing$ 89...152 mm (3 1/2"...6") holes and it is standard on Sandvik DP1500i ...

Typical application is foundation drilling, road cutting, trenching, bolting, line drilling in dimensional stone quarries and other special drilling applications with Sandvik DC120 rigs. ck drill with low ...

Sandvik Mining reserves the right to make changes to the information on this data sheet without prior notification to users. Please contact a Sandvik ...

Sandvik RD927 is a hydraulic top hammer drill designed for surface top hammer rigs with a durable design that minimizes service time. It drills holes up to 36 meters deep and is part of ...

**TECHNICAL SPECIFICATION** Sandvik HL710S is a hydraulic top hammer rock drill designed for DL2710 and DL2720 underground longhole drills. It is capable of drilling  $\varnothing$ 54 ... 89 mm holes ...

**TECHNICAL SPECIFICATION** Sandvik HLX1 hydraulic rock drill is designed for small diameter holes. Typical application is drilling / bolting in confined environment with Sandvik DS211L-M ...

Top hammer drilling tools Sandvik's complete range of Top Hammer drilling tools is designed to transmit intensive impact power into the rock, while at the same time reducing loss of energy.

It is equipped with a stabilizer to control contact between the drill bit and rock, ensuring optimal drilling performance and long rock tool service life. Together with new LT90 rock tools ...

Sandvik HL650 is a heavy hydraulic percussive rock drill with independent rotation and separate flushing. High drilling capacity and reliability are achieved through functional modules. Three ...

## Sandvik rock drill lubricant

TECHNICAL SPECIFICATION Sandvik RD106 hydraulic rock drill is designed for a maximum recommended hole diameter of 45 mm. Typical applications are foundation drilling, road ...

Our Mobil ServSM Product Selector tool will help you identify lubricant (s) for your specific equipment. Select an equipment model to view Sandvik's specific product recommendations. ...
