

Schram 300 drill rig 1999

What is a Schramm drill rig?

Schramm drill rigs are built your way, delivering maximum performance, reliability and operating efficiency in the most extreme environments. Get the edge you need to stay ahead of the competition. Schramm AirDrill Hammers & Bits provides purpose-designed, high quality RC hammers and equipment to a select group of customers.

Who makes Schramm drilling rigs?

Schramm manufactures top-head hydraulic drilling rigs for oil and gas applications, mining, geothermal development, water wells, and mineral exploration. Schramm also makes hammers and drills under the AirDrill brand for grade control, shallow drilling, deep-hole exploration drilling, and other uses.
