

Screw Air Compressor Singapore Air Compressor

How to choose a screw compressor supplier in Singapore?

Finally, choose the right supplier for your screw compressor. Atlas Copco is an authorised distributor in Singapore well-known for their customer service, who can provide ongoing support and assistance with your compressor. Consider suppliers who offer comprehensive training and after-sales support to ensure you get the most from your investment.

What is a screw compressor?

The rotors compress air gradually along their length, making screw compressors well-suited for continuous operation and high-volume applications. Screw compressors are a new and improved type of compressor that offers many advantages, making them the system choice for service trucks and fleet managers in Singapore.

Where to buy air compressors in Singapore?

They are prepared to carry out routine checks, preventative maintenance, and any necessary repairs. IMET Equipment Pte Ltd of Singapore is your go-to supplier for any and all air compressors you may possibly need, as they stock both rotary and screw air compressors.

What is a rotary screw compressor?

Rotary screw compressors are designed for a wide range of users across various industries and applications. They are powered by two counter-rotating screws that compress air as it moves through the compressor. These units are designed for continuous use, capable of operating 24 hours a day, 7 days a week.

What is oil-free air compressor & screw air compressor?

Oil-free air compressors and screw air compressors follow this principle. Utilising centrifugal force, the kinetic energy is transferred. This method is responsible for creating pressurised air inside the air compressor tank.

Are screw air compressors reliable?

As a result, you can count on a steady and reliable supply. Screw air compressors are widely used in the industrial sector due to their high efficiency and reputation for reliability. These compressors can be obtained in either an oil-injected or oil-free kind, with the selection depending on the individual's requirements.
