

Second-hand Kaishan kt7d-1 integrated down-the-hole drill rig

Our integrated surface DTH drilling rig lets you carry out construction work in a stable and easy way. With several indicators and an anti-jamming system, the ...

Our KT15 integrated surface DTH drilling rig is designed by drawing inspiration from previous models. It can satisfy most needs of operators by providing a ...

KT7C KT7D integrated open-air down-hole drill truck is a fully automatic unloading drill pipe down-hole drill truck developed according to the requirements of the mine site construction.

If you are searching for high end drilling rig and air compressor, we promise that it is well worth checking our company. Headquartered in Zhengzhou City, ...

It can drill vertical, inclined and horizontal holes, used for drilling and pre-splitting holes in open pit mines and stone works, etc.

The special structure of our high pressure integrated drilling rig leads to large flow volume (13m³/min) and high air pressure (1.7MPa), providing high air pressure for the drill hammer. ...

Our team of experienced engineers and customer personnel is available 24 hours a day to help you find the right equipment for your drilling applications. ...

The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw compression ...

KT9C Integrated DTH Drilling Rig The KT9C integrated open-pit down-the-hole drilling rig is an advanced drilling equipment designed for blasting and pre ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes, It is driven ...

Are you wondering which kind of drilling rig and compressor are the best choices? Maybe you can find the answer in KAISHAN Group. We are the biggest air ...

KTD integrated open-pit DTH drilling rig is a drilling equipment which integrates DTH drilling system and screw air compression system. It can drill vertical, inclined and horizontal holes ...

Second-hand Kaishan kt7d-1 integrated down-the-hole drill rig

Our KT5C Integrated down the hole drill rig for open use is an advanced drilling device with an integrated screw air compressor system. The equipment is compact in structure and mobile ...

KT7D Integrated Surface DTH Drill Rig Kaishan is a world-leader in the supply of mining and rock excavation tools and equipment. In addition to supplying your ...

The KT7D/7M surface dth drilling rig has become a popular model in mines in 2023. As of mid-March, the order volume has exceeded the total order volume for the whole ...

Kaishan KT7D integrated open-pit down-the-hole drilling rig is an advanced drilling equipment that integrates the down-the-hole drilling system and the ...

The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework ...

Kaishan dth drilling rigs is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Zhejiang Kaishan Heavy Industry, part of Kaishan Group, manufactures advanced drilling equipment for mining, military, and construction. We offer safe, efficient, and customized ...

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

The KT7D integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor ...

The integrated DTH drilling rig is designed to meet the demands of on-site mining operations. It is a fully automatic rod-handling DTH drilling rig, suitable for borehole diameters of 90-135mm ...

Integrated Surface DTH Drilling Rig, KT7D Down-the-hole drill rig for open-pit mining This machine integrates a hydraulic long hole drilling rig and a screw ...

ZT10 Integrated Down the hole Drill Rig for Open Use The ZT10 integrated down the hole drill rig for open use is an advanced piece of drilling equipment developed by Kaishan Group to meet ...

The KT7D integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and Screw air compresso...

Second-hand Kaishan kt7d-1 integrated down-the-hole drill rig
