

Sell screw air compressor manufacturer

Who makes rotary screw air compressors?

SEO Houston Werther International is an industry-leading manufacturer of rotary screw air compressors, providing reliable, energy-efficient, and quiet air compressor systems. Contact us!

What is a screw compressor?

A screw compressor is a type of compressor that employs screws to continuously compress fluids. One notable example is the air compressor, where air drawn in from the intake is compressed between a pair of screws and discharged as compressed air. This is the principle behind screw compressors known as the twin-screw type.
