

Small water well drill rigs nevada for sale

Where can I buy used drilling equipment?

Our used inventory for sale at Rig Source caters to various drilling needs, and we offer models from reputable drilling equipment companies such as Geoprobe, Diedrich, Mobile Drill, CME, and more.

Should you buy a small water well drilling rig?

Purchasing a small water well drilling rig is a financially viable alternative to hiring professional drilling services particularly for recurring needs. For instance farmers requiring multiple irrigation wells or developers working on rural housing projects can achieve significant savings by investing in their own equipment.

What is a portable water well drilling rig?

Portable water well drilling rigs are specialized machines engineered to bore holes into the earth to access underground water sources. Unlike larger industrial rigs these compact units are tailored for shallow to moderately deep wells typically ranging from 100m to 200m depending on the model and geological conditions.

Does Rig Source sell used drilling equipment?

Rig Source works with customers to sell their used equipment at competitive prices, with the goal of it remaining effective, reliable, and durable for many years to come. With the purchase of used drilling equipment, you can receive equipment that is durable, reliable, and ready to be used for many years.
