

Space engineers drill rigs

This subreddit is an unofficial community about the video game "Space Engineers", a sandbox game on PC, Xbox and PlayStation, about ...

So my drills cause my ships to shake like crazy and I can't mine at all. I've seen some ships that barely wobble at all, but I can't seem to reproduce it. What prevents the ...

Welcome back to our Space Engineers tutorial series! In Part 2, we continue building the ultimate automatic drill rig by diving deep into programming Timer Blocks and Event Controllers.

This is the Mobile Drilling Rig Steam Workshop blueprint for Space Engineers! A large mobile base with a giant drilling arm attached on to it. With fully automated deployment of the drill and even ...

This subreddit is an unofficial community about the video game "Space Engineers", a sandbox game on PC, Xbox and PlayStation, about engineering, construction, exploration and survival ...

I've seen some interest recently regarding base-mounted Drill rigs, and I wanted to post a primer. This will explain one specific version of the drill rig which I ...

This item is incompatible with Space Engineers. Please see the instructions page for reasons why this item might not work within Space Engineers.

You can make a rotating multi drill oil rig style machine, using a rotor, x number of drills, and pistons attached at the top by conveyors connected to your base

A mining platform is the only way to go I think - like a deep sea oil rig in real life. Either to extract ore, or to dig a large straight tunnel for your other mining vehicles.

Instead of building a miner, I get just enough ingots from stone refining to make a piston and drill, then use that to keep my refinery full and keep adding pistons ...

I've got a huge drillhead drilling a hole in the moon, and want to add more pistons for it to be able to go deeper. Is there an easy way to add extra pistons to my pistonstack, ...

O have mounted a piston hotizontally to an underground construction, and added a drill to the piston. I remember to have seen a tutorial video from Splitsie, in which he ...

Neat, looks and functions great. I've been working on a mobile, small grid drill rig version for a while. The

Space engineers drill rigs

realization of "assemble at top and extend drill pipe" ...

Fixed Drilling Rig Designs? So I'm playing with the Scarce Resources, Deep Ores and Jetpack Nerfing mods and have decided it's probably best to just build a cylindrical drilling rig on top of ...

A short video on how to make it a lot more convenient to extend a rotor-piston drill used for mining and other applications on Space Engineers by making the ...

This is the Automatic Deep Core Mining Rig Zeta-11B workshop blueprint for Space Engineers! At medium sized drilling platform that will continuously drill forever and ever! Easy to set up and use ...

Does setting up a small base with a drill run out of material to mine? Or does it continue to collect basic ore as long as it is powered and has storage space?

The Drill is a block tool block in Space Engineers. Players use block drills in Survival Mode as an industrial miner, either to gather ores and ice, or to remove layers of stone (also know as voxel ...

In this step-by-step guide, learn how to craft your dream drill ship in Space Engineers. From building the frame to adding functional blocks, this ...

Build static piston-plunger mining rigs, and use vehicles to transport the goods. I find doing shuttle runs between set-and-forget mining rigs far more pleasant ...

This is a quick how to guide on how to set up a basic automated mining rig in Space engineers.?If you enjoyed this tutorial, please consider subscribing her...

Learn how to create an automated drilling platform for mining resources step by step using timer blocks and sensors. This platform can continuously drill and adjust its extension but doesn't ...

Hello I made recently a drilling Rig in my Survival World with the same Specs as yours. My setup is certainly not perfekt but it works. You need 4 ECs and 2 Timer Blocks It is important that all ...

Easiest Tutorial on my Simple Infinite Drill & Tunneller, today I will be putting myself in your shoes to show you how to use it, how to set it up and everyt...

So this time the event controllers are reading that the pistons are at 100% when only 20% extended due to the max distance setting on the piston. So this set up starts the other 2 pistons too soon ...

Let's Play SPACE ENGINEERS! In this Survival Series I'll be building cool things and passing along any cool tips and tricks I learn! Space Engineers is a sandbox game about engineering ...
