This makes me nostalgic over my first solo survival world! I built a mining rig like this on Earthlike, and an even bigger one on Mars

This subreddit is an unofficial community about the video game "Space Engineers", a sandbox game on PC, Xbox and PlayStation, about engineering, construction, exploration and survival ...

This is my first attempt at Building a large grid mobile drilling platform. It comes setup with commands to deploy and retract the drilling tower as well as options to filter out and dump stone.

Space engineers mobile drilling rig workshop

could you perhaps make a drilling rig like this, but take out the "base" part? And also add a second arm to the first section so it can go sideways after hitting the ore.

Rights to the gameplay footage belongs to Keen Software House. This is the Mobile Drilling Rig Steam Workshop blueprint for Space Engineers! A large mobile base with a ...

I need something bigger. I have an idea for a large grid rover that would basically act as a mobile drilling rig/refinery, but I'm a bit concerned about clang and the terrain. Should ...

Once you hit the "start drilling" button, it typically likes to either spin out at 40RPM, snapping off the drill heads and blowing up the entire rig. Or, the rotor lock keeps it from ...

This way you can manually reset the pistons to their starting positions and the script will automatically start from the beginning (useful in the case of a mobile drilling rig for ...

This subreddit is an unofficial community about the video game "Space Engineers", a sandbox game on PC, Xbox and PlayStation, about ...

Players can build and pilot space ships, construct massive space stations, and mine asteroids for raw materials utilizing a realistic volumetric-based physics engine.

Derelict corvettes stitched back together by Pertam merchants. The Camel's main feature is a compact drill tower that can reach up to 150m deep into planets. With ...

Download: Titan Drill - Mobile Drilling Rig [Space Engineers] Size: 12.4MB Views: 17661 Create: 19.08.2021 / 17:45 Update: 19.08.2021 / 17:45 Subscribers: 7126 Favorites: 315

The mobile drilling rig combines the benefits of a compact rover with the capabilities of pistons to reach depths of up to 25 meters in mineral drilling. Control:

Eventually the drill "line" will be more than 10km long at which point an in-game limit will kick in and your welders will not be able to build the next projection. ...
