

Spindle type core drilling rig

About us We are a professional supplier of diamond core drilling rigs in China, We supply spindle type diamond core drilling rigs and all hydraulic core drilling rigs with the drilling capacity from ...

The XY-4T core drill rig, integrated rig with tower into one unit, consists of XY-4 drill rig and mast-type drill tower, with the function of hydraulic lifting and ...

XY-6B/6N type core drill rig is a spindle type drilling machine with mechanical and hydraulic transmission. It is a type of deep drilling equipment used in the fields of geological prospecting, ...

Spindle Type Hydraulic Core Drilling Rigs is mounted with high drilling tower, can be adjusted in a clock-wise direction for drilling inclined holes, suitable for ...

XY-3 Core Drilling Rig Brief Introduction: XY-3 series drilling rig is a shallow/ medium depth hole spindle type core drilling rig. The machine is mainly used ...

Select a spindle core drilling rig designed for mining and geology with depth up to 1200m. Also can be used as water well drilling rig.

Spindle type core drilling rig is a diamond core drilling rig. It works with spindle and is powered by hydraulic pressure. It has strong drilling capacity. This type of core drills consists of diesel ...

XY-44A Core Drill, a new type of product with enhanced capacity, is a kind of hydraulic-driven, spindle, diamond-bit, small-diameter core drill with fairly powerful drilling force.

China leading provider of Spindle Drilling Rig and Core Drilling Rig, HUNAN MEGA DRILLTECH CO., LTD. is Core Drilling Rig factory.

GEODRILL EQUIPMENT Co.,Ltd. (LIANYUNGANG) is a specialized supplier of quality drilling machines and tools to the mining exploration, water well drilling and no dig engineering (HDD) ...

works to meet the needs of users. It is a new type spindle core drill rig. It is applied for engineering geological exploration drilling, hydrogeology well drilling and big-hole basic ...

XY-6 CORE DRILL,integrated with the advantages and characteristics of various core drills manufactured in China and abroad, is a kind of hydraulic-driven, spindle, diamond-bit small ...

HXY-44T SPINDLE TYPE CORE DRILLING RIG INTEGRATED WITH MAIN MACHINE AND

Spindle type core drilling rig

TOWER The XY-44T core drill rig, combining rig with into one unit,is kind of drilling equipment ...

Core drill rig, exploration core drilling equipment, mining core drilling, small water well drilling rig with competitive price in YG. Click!

We manufacture core drilling rigs including spindle type and full hydraulic type for a wide range of applications: solid mine bed exploration drilling with the depth ...

High quality XY-44A Spindle type core drilling rig from China., China's leading product market Hydraulic drill rig product, with strict quality control diamond core drilling factories, producing ...

It is a new type spindle core drill rig. It is applicated for engineering geological exploration drilling, hydrogeology well drilling and big-hole basic engineering ...

Spindle Type Core Drilling Rig, Core Drilling Equipment XY-4 1.Specifications: XY-4 core drill is developed to meet the needs of users and the development ...

High quality Spindle Type Core Drill Rig, Diamond Core Drilling Rig XY-4T from China., China's leading product market Hydraulic drill rig product, with strict ...

It is mainly used for shallow hole core drilling with diamond or tungsten carbide bits. It can also be used for engineering geological survey and injection in the fields of railway, highway, bridge, ...

High quality XY-44A Spindle type core drilling rig from China., China's leading product market Hydraulic drill rig product, with strict quality control diamond ...

The XY-2BT core drill rig, integrated rig with tower into one unit, consists of XY-2B drill rig and mast-type drill tower, with the function of hydraulic lifting and ...

HXY-8B type core drilling machine used for medium and deep hole drilling with diamond and carbide-tipped bits. This spindle type core drilling rig is developed on the basis of XY-8 type ...

XY-42A is a kind of core drill driven with tungalloy-carbide-tipped bit and diamond-bit, small-diameter. It is mainly suitable for exploration of metal or non-metal solid mineral ore ...

This drilling rig, as a diamond core drilling rig, is a kind of vertical shaft drilling rig with strong drilling capacity powered by hydraulic pressure. This kind of spindle core drilling rig is suitable ...

Spindle Type Drilling Rig Core Drill (XY-2) It is mainly applied for shallow and medium hole core drilling. XY-2 core drill can also be used in various ...

Spindle type core drilling rig

Product Description GXY-200B drilling rig is a multi-purpose machine with mechanical transmission and hydraulic feeding in rotary mode. It is suitable for industrial and civil buildings ...
