

## Sr 30 drill rig specs

SOILMEC SR-30 drilling rig from Western Equipment Solutions features a Cummins Engine, 105 ft drilling depth, 4x9M Kelly Bar & 10200 hours. Available for sale

The SR-30 Eagle is the smallest model in Soilmec's line-up of drilling rigs. Built with a lightweight design the rig features a high torque rotary head, powerful Diesel engine and the new ...

The SR-45, replacing the popular SR-50, keeps the same power level but is lighter. It also offers single-load transportability, reduces fuel usage with its ...

Product and Technical Information. The rig's high torque rotary head, rated at 131 kNm, and a robust Diesel engine with 149 kW power in both T3 and Stage V, ...

Plant Make: Soilmec Plant Model: SR30 Year of Manufacture: 2018 The Soilmec SR30 self-erecting drill rig is able to drill up to 1500mm dia to a depth of 34m. Retractable track frame ...

Soilmec S.p.A is an international company leader in design, manufacture, and distribution of equipment for the ground engineering industry, drilling and ...

The hydraulic drilling rig SR-30 is designed for LDP cased bore piles, CFA (Continuous Flight Auger) piles, GK-5 (Diaphragm Wall) and Turbojet soil ...

Soilmec's high-production single-load workhorse. These rigs have stood the test of time and are still the best-in-class for the 35T rig market. This is a one ...

Plant Make: Soilmec Plant Model: SR30 Year of Manufacture: 2018 The Soilmec SR30 self-erecting drill rig is able to drill up to 1500mm dia to a depth of 34m. ...

STM-30 is a drill unit designed to be fast, highly productive and easy to operate. It's a fully hydraulic drilling rig mounted on standard, heavy duty 6 x 4 truck. ...

The SR-30 Eagle is the smallest model in Soilmec's line-up of drilling rigs. Built with a lightweight design, the rig features a high torque rotary head, powerful ...

The document describes the SR-30 hydraulic rotary drilling rig. It can perform bored pile installation with or without drilling fluid, and continuous flight auger ...

SR-45 Advanced Soilmec rigs are self-mounting, easily transportable and designed to giving the best drilling

## Sr 30 drill rig specs

solutions. The hydraulic drilling rig SR-45 has been specially designed for suiting ...

Soilmec's latest rig, the SR-65 Blue Tech, offers a range of features designed to simplify operations without compromising reliability or performance. It's the ...

The SR-30 Eagle is the smallest model in Soilmec's line-up of drilling rigs. Built with a lightweight design the rig features a high torque rotary head, powerful ...

In the United States a used Soilmec SR-30 drilling rig is typically priced between \$350,000 USD and \$397,500 USD. Variation in price can be due to a number of factors including age, ...

Cummins QSB 6.7, 205 kw. Fully self erecting. On board DMS computer with memory stick recording. Minimum distance from internal corners 1.50 m. Minimum distance from walls 0.80 m.

Soilmec rigs are self-mounting, easily transportable and designed to giving the best drilling solutions. The hydraulic drilling rig SR-60 has been specially designed for suiting the following ...

Soilmec rigs are self-mounting, easily transportable and designed to giving the best drilling solutions. The hydraulic drilling rig SR-80 has been specially designed for suiting the following ...

It can perform bored pile installation with or without drilling fluid, as well as continuous flight auger pile installation. The rig features include a 35 ton ...
