

Sr45 drill rig

Soilmec rigs are self-mounting, easily transportable and designed to giving the best drilling solutions. The hydraulic drilling rig SR-45 has been specially ...

The SR-45, replacing the popular SR-50, keeps the same power level but is lighter. It also offers single-load transportability, reduces fuel usage with its new Tier 4f engine, and includes ...

The shafts were drilled with the hydraulic drilling rigs SR-40 and one SR-70 with dry bored piles method. The rigs were equipped with the new Soilmec reinforced telescopic kelly bar fitted ...

The SR-45 has become well known for its characteristics of dynamism and drilling capabilities combined with quick and efficient mobilization for rapid start-up on job sites.

The SR-45 is equipped with the DRILLING MATE SYSTEM (DMS) on 12" touch screen for monitoring and control of the rig performances and operating parameters. Technical data

The innovative hydraulic drilling rig SR-45 ADV was used in the foundation construction for a commercial building using the displacement piles technique. The DP technology creates piles ...

The SR-45 is equipped with the DRILLING MATE SYSTEM (DMS) on 12" touch screen for monitoring and control of the rig performances and operating ...

SR-45 CFA Soilmec rigs are self-mounting, easily transportable and designed to giving the best drilling solutions. The hydraulic drilling rig SR-45 has been specially designed for suiting the ...

The innovative hydraulic drilling rig SR-45 ADV was used in the foundation construction for a commercial building using the displacement piles technique. ...

anced Soilmec rigs are self-mounting, easily transportable and designed to giving the best drilling solu. ions. The hydraulic drilling rig SR-45 has been specially designed for suiting the following ...

Soilmec S.p.A is an international company leader in design, manufacture, and distribution of equipment for the ground engineering industry, drilling and ...

SR-45 Advanced Soilmec rigs are self-mounting, easily transportable and designed to giving the best drilling solutions. The hydraulic drilling rig SR-45 has been specially designed for suiting ...

Soilmec SR-45 drill rig (4467 hrs) includes a 125ft Kelly bar, quick-change CFA kit & 1250mm mast

Sr45 drill rig

extension. Available for \$550,000 or via financing from Western Equipment Solutions.

All drilling operations are actuated by two innovative joysticks. Automatic controls of rotary head and drilling phases are available on request thanks to simple· im-ple-mentation of our DMS ...

The SR45 is a powerful single-load machine with approx 135,000 ft-lbs of max rotary torque and highly transportable at under 85,000 lbs. This machine ...

Soilmec SR-45 drill rig (4467 hrs) includes a 125ft Kelly bar, quick-change CFA kit & 1250mm mast extension. Available for \$550,000 or via financing from Western Equipment Solutions

+44 (0)1832 274602 NEWS Double Wall Casing The Brand New SM-15 Micro Drilling Rig New DMS & Mini Piling Sales Manager ACCREDITATIONS QUICK LINKS

Soilmec Providing drilling and foundation equipment to many different industries, Soilmec is an international leader in designing, manufacturing and distributing machinery to job sites around ...
