

Sun Yueqiang Rock Drill Inventor Company

Who invented rotary drilling?

Arthur L. Hawkesworth of the Anaconda Copper Mining Company developed the first extensively-used detachable rock drill bit. The rotary drilling method was improved with the use of diesel power. The first true horizontal oil well was drilled near Texon, Texas.

What are rock drilling tools?

Rock drilling tools are essential in mining for various tasks, including exploration, production, tunneling, and ground support. They range from Top hammer drilling tools and DTH drilling tools for drilling, to self-drilling anchor tools for stabilizing structures.

How did Sergeant Drill Company start?

Henry C. Sergeant started the Sergeant Drill Company to manufacture a rock drill he had invented, which included using compressed air to move the drill's piston onto the steel in a hammering motion. Sergeant Drill Company later merged with Ingersoll Rock Drill to form Ingersoll-Sergeant Drill Company.

Who is Sun Yueqi?

Sun Yueqi (simplified Chinese: 孙越崎; traditional Chinese: 孫越崎, 16 October 1893 - 9 December 1995), formerly known as Sun Yuqi or Sun Shifen, was an industrialist and politician in the Republic of China and later the People's Republic of China.

Who invented the Hoosac Tunnel drill?

Charles Burleigh, John W. Brooks, and Stephen F. Gates patented a mechanical drill meant to be used on the Hoosac tunnel: the compressed air Burleigh drill. The tunnel spurred several innovations in drilling technology, including the earlier Couch/Fowle drill.

Who is Guizhou sinodrills?

Guizhou Sinodrills Equipment Co., LTD (hereinafter referred to as Sinodrills) is an international market-oriented enterprise dedicated to providing a comprehensive solution for rock drilling tools. Its predecessor, DVY International, was established in 2002 and was registered as Guizhou Sinodrills Equipment Co., LTD in 2006.

History of Drilling This is a timeline that outlines some of the major developments in the technology and methods of the drilling industry. 100 BC - Chinese Han ...
