What is The Rock Drill in this context?

The Rock Drill is a sculpture that is not entirely abstract. It is a conception of a thing I knew well, in this case in New York, translated in terms of sculpture. The Rock Drill is a thing that has human associations and is prophetic of much in the great war, making it an experience shared by nearly all.

What is the Shamrock drill?

The 21 Marines in the class got their first taste of the Shamrock Drill, a drill designed by fighter Ken Shamrock to help prepare for three, five-minute rounds in the octagon. "The Shamrock drill has been in the curriculum since I can remember," said Sgt. Shane Dietlin, Marine Corps Martial Arts Instructor, 3rd Battalion, 3rd Marine Regiment.
