

Surface drilling rigs

Our vision is to create excellent drill rigs that offer the highest level of efficiency and operator comfort that requires minimal service and maintenance. To meet the demands of the mining ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

The SANDVIK Pantera DP 1600i is an advanced surface drill rig designed for efficient and high-precision drilling in demanding conditions. Equipped with a ...

The SWDE200 surface drilling rig stands out for its high productivity and intelligent features. It is engineered to meet the demanding needs of drilling ...

Discover how drill rigs enhance surface and underground mining. Learn their role in efficient extraction, safety, and modern advancements in the ...

Surface drilling rigs are essential in horizontal directional drilling operations. They are typically used to drill pilot holes, perform back-reaming, and install subsurface pipes, ...

Rock Surface Drilling Equipment & Supplies Monty Products specialises in supplying rock drilling equipment to the mining and drilling industry, providing professional advice and high-quality ...

Ranger(TM) DX700 is a hydraulic, self-propelled, self-contained and crawler-based surface rig with an ergonomic, high-visibility cabin and rod handling system. Typical applications are road ...

The Christensen range of surface core drilling rigs has, over many years, established itself a reputation for reliability and ease of use. Many Christensen ...

Whether you're conducting preliminary exploration to mine development, or environmental monitoring to restoration and reclamation, the wide array of ...

REL plays a vital role in making the latest and most efficient surface drilling equipment available to mining customers, especially for Coal, Iron, Copper, Gold, Zinc, Phosphate, Bauxite, Lignite, ...

Surface Drill Rigs The best for major rock drilling challenges VersaDrill's surface drill rigs can handle a lot of force and pressure. Easy reconfiguration helps you ...

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a

Surface drilling rigs

hole range between 27-229 mm. We offer the ...

Exploration: Surface You need diamond core drilling solutions for both shallow and deep hole, small and large diameter core, including wireline and ...

Surface drilling rigs are hydraulic drill rigs typically designed for small to medium-scale quarries and small-sized open pit mines, suitable for rock drilling ...

Ranger(TM) DX800 is a hydraulic, diesel-powered, self-propelled top hammer drill rig with an ergonomic cabin and rod handling system. Typical applications are ...

Our intelligent surface drill rigs bring the latest technology to surface mining applications. Designed to work in the toughest operating conditions, our surface drill rigs combine power ...

Top-quality surface drill rigs and core drilling equipment built for tough conditions. Explore Premier Drilling's versatile KmN.8s and KmN1.4s models.

Surface drill rigs The down-the-hole drilling rigs are used in large and medium-sized quarries, mining and construction sites. They are designed to be highly productive and reduce fuel ...

Ranger(TM) DX910i is the flagship model of Ranger(TM) DXi family. Equipped with Sandvik intelligence features, this powerful drill rig has an optimized drilling ...

Sandvik is renowned for its surface drill rigs, particularly the DX700 and DX800 models, which are equipped with hydraulic top hammer ...

Surface Drill Rigs are available for sale now on [rigsalesaustralia](#) . Browse our range of quality drilling equipment, Expert Advice!

Efficiently complete your exploration drilling with surprising pull and push power packed into versatile, compact track-mounted sonic, rotary and direct push ...

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a hole range between 27-229 mm. We offer the widest range of surface drilling ...
