Is CMN the world's first oil-free screw air compressor?

With continued R&D investment, CMN, the screw air compressor manufacturer in China, has launched the world's first 40-bar oil-free screw air compressor with a water-lubricated air end and the world's first 1.2 MPa scroll air compressor, which filled an international gap.

Why should you choose CMN as an industrial air compressor supplier?

In 2015, CMN, as an industrial air compressor supplier, unveiled the world's first 40-bar pressure oil-free screw air compressor, showcasing our commitment to innovation. Currently, our facility for industrial screw compressors in China spans nearly 58,000 square meters, employing over 100 dedicated professionals.

Who is CMN air compressor?

05. 06. 07. Since its establishment in 1960, CMN, the screw air compressor supplier, has consistently pioneered advancements in single-screw compressor technology and always prioritized product stability and performance. In 2004, CMN expanded its global footprint with the establishment of its production base in Zhejiang, China.

Why should you choose CMN oil-free air compressors?

Our high-efficiency, oil-less air compressors provide comprehensive solutions for all kinds of applications that require compressed air. Furthermore, CMN oil-free air compressors, distinguished by an advanced no-lubricating oil feature, are prominently utilized in industries demanding compressed air with exceptional purity.

Enhance your air compression system with our micro oil-free screw compressor. Manufactured by Taike, a manufacturer in China, this compressor ensures reliable and efficient performance.

Working Principle of Micro Oil Screw Air Compressor The Micro Oil Screw Air Compressor operates based on the principle of using two intermeshing rotors to compress air. As the rotors ...

Advanced Micro Oil Screw Air Compressors with Real-time Performance Monitoring Introduction Advanced Micro Oil Screw Air Compressors are a type of air compressor that is widely used in ...

Introduction Micro Oil Screw Air Compressor is an essential tool for small-scale manufacturing industries. This compressor is designed to provide oil-lubricated compressed air to various ...

Promotion and Company Introduction We are a comprehensive transmission equipment manufacturer specializing in the research, development, manufacturing, and sales of air ...
