

Terrasonic drill rig

Terra Sonic International is the only sonic drill rig manufacturer in the world that is committed exclusively to sonic drilling technology - Sonic Rigs, Sonic Heads, and Terra Sonic Tooling. ...

The TSi 150CC Sonic Drill Rig is the most powerful sonic rig on a small platform in the world. It brings full Terra Sonic power and innovation to a compact ...

This powerful sonic energy is delivered through the drill string, allowing for an impressively rated depth of over 800" with 6" casing and is capable of advancing casing sizes up to 12" in diameter.

Terra Sonic International is the global leader in SONIC Drilling technology. TSi designs and manufactures a complete line of SONIC drill rigs including Truck-mounted, Crawler-mounted ...

Dry Drilling Dry drilling is when the high-frequency vibrations of the sonic head are utilized to drill through the earth without the need for drilling fluid. This technique is commonly used in ...

Service elevated to a partnership. Terra Sonic expertise, service, and support mean you'll always have a true sonic drilling partner. We manufacture, sell, and support TSi rigs all over the world. ...

Sonic Drilling is a unique technology that is best explained via demonstration. This video captures the sonic drill rig our client manufactures ...

The TSi 150CC is a compact crawler-mounted sonic drill rig designed for versatility and access in tight spaces, featuring a powerful 225 hp engine and a sonic oscillator that generates resonant ...

Sonic Drill rigs Mud Bay is a leader in the industry, directly offering Sonic drilling services since 2005. Today, we have a large, modern fleet of Sonic drill rigs for any application or site access ...

Welcome to Yellow Jacket's Terra Sonic TSI 150T truck mounted sonic rig. Featuring all the driving power required to drill in virtually any type of formation and the ability to collect a variety ...

Used Sonic Drill SDC-390 Geotechnical Drill Rig for sale. 5,500 Hours Engine: Caterpillar, 6 CYL, 6.6L, Turbocharged, 225HP @ 2200 RPM, Tier 4 "Flex", ...

The TSi 150T Truck-Mounted Sonic Drill Rig is a powerful Sonic Drill Rig that can create in situ core samples and perfectly straight boreholes. The powerful 150 Series Sonic Oscillator ...

Earth Drilling's TerraSonic Mini Rig can drill to depths greater than 244 m @ 150 mm hole diameter and is

Terrasonic drill rig

mounted on 300mm wide tracks providing for low ground pressure (0.46 ...

This rig boasts a full-size chassis on versatile crawler tracks allowing it to trek long distances over difficult terrain. Its mast accommodates 20ft sections of tooling. The 150C Series features the ...

Terra Sonic Tooling is the highest quality Sonic Tooling in the world, created by Sonic Drillers for Sonic Drillers. More than 20 years of design modeling and empirical testing have resulted in ...

It brings full Terra Sonic power and innovation to a compact footprint for remarkable flexibility and versatility. The track-mounted 150CC easily reaches ...

Terra Sonic 150CC The TSi 150CC Compact Crawler Sonic Drill Rig is a crawler mounted unit with a 225 HP diesel engine that powers all driving, drilling and accessory hydraulic functions.

Parts & Service Service and Support that Keeps You Drilling When you have Terra Sonic as your sonic drilling partner, you have the fastest service response times in the industry. Our team of ...

Environmental Drilling Environmental consulting and remediation address the leaching of hazardous substances into soil and groundwater, which causes contamination plumes. ...

Terra Sonic combines the industry-leading innovation of their exclusive Sonic Head Oscillator with a full-size truck. This rig is perfect for projects requiring ...

CRAWLER-MOUNTED SONIC DRILL RIG The 150C Series features the proprietary TSi Sonic Head Oscillator, the world's most powerful sonic drill rig, setting the standard in sonic drilling. ...

Terra Sonic 150CC The TSi 150CC Compact Crawler Sonic Drill Rig is a crawler mounted unit with a 225 HP diesel engine that powers all driving, drilling and ...

The TSi 150CC Compact Crawler mast enables drilling angles anywhere between vertical and 45°;, incorporates an integrated hose management system within its tubular frame, and utilizes ...

Sonic Drill rigs Mud Bay is a leader in the industry, directly offering Sonic drilling services since 2005. Today, we have a large, modern fleet of Sonic drill rigs ...
