

## Terrier drill rig

The trailer terrier sampling rig utilises a Dando Terrier direct drive percussion drill mast on a small single axle trailer. A petrol engine operates the hydraulic system. The rig is towed with a 4WD ...

The BGS Drilling Facility operates out of BGS Keyworth. The drilling team is comprised of staff from different science areas across BGS, all trained to an in ...

Site Investigations & Geotechnical Design At GGPGeo, we offer a comprehensive suite of site investigation and geotechnical design services tailored to the needs of contractors and ...

The Dando Terrier is an ultra-compact drilling rig designed for confined space sampling and site investigation. It has a small crawler footprint and ...

Site Investigations & Geotechnical Design At GGPGeo, we offer a comprehensive suite of site investigation and geotechnical design services tailored to the ...

Mounted on a small crawler unit, the rig is easily transportable and simple to manoeuvre through tight spaces, causing very little disturbance to its ...

Mounted on a small crawler unit, the rig is easily transportable and simple to manoeuvre through tight spaces, causing very little disturbance to its surroundings. Features include: - Disturbed ...

The Dando Terrier is a compact, crawler-mounted drilling rig designed for geotechnical sampling and testing. It can perform standard penetration tests, ...

Dando Terrier MK2 Features Hydraulic mast dump allows the rig to be rapidly Trip hammer auto-stop feature prevents over set up and easily tracked from hole to hole while driving of the ...

The document describes the Dando Terrier drilling rig. It is designed for geotechnical and environmental sampling and testing. It is crawler mounted ...

TERRIER ROTARY ATTACHMENT Optional rotary head converts the Terrier into a powerful yet ultra-compact multi purpose rotary drill-rig. With the powerful ...

We also have a Terrier drill rig, ideal for tight spaces where maneuverability is key as well as our Pagani TG63-150. These services are all logged to NZGS ...

Grampian Geotechnical has recently bought a brand new DANDO Terrier light percussive rig. The rig was

## Terrier drill rig

straight to work and has carried out various projects since arriving. Occupying a small ...

Borehole Solutions provides a range of different, versatile drilling rigs for projects, as well as several casing hire options. These include the Dando 150, 2000, ...

Terrier can deploy insitu testing (SPT and Dynamic probe) backed up by sampling (U100, UT100 and Liner) in virtually any environment. With a travelling width of just 800mm, it can fit through ...

The sampling hammer for the Dando Terrier allows the small, versatile drilling rig to perform rapid undisturbed sampling in conjunction with rotary drilling techniques.

The Dando Terrier is being used to sample mineral sands at a new prospect in Indonesia. Difficult to sample with good recovery using rotary methods, the perc...

Mounted on a small crawler unit, the compact and extremely versatile Dando Terrier is capable of a wide range of drilling techniques in areas of restricted space and difficult access.

Occupying a small footprint, the compact and extremely versatile Dando Terrier drilling rig is capable of a range of site investigation techniques in areas of restricted space and difficult ...

The rotary mast attachment for the Dando Terrier extends the rig's range of use to include continuous flight and hollow stem augering, tricone & drag bits and rotary core drilling as well ...

The document summarizes the Dando Terrier drilling rig. It is designed for geotechnical and environmental sampling and testing. It has a crawler base ...

Sampling & site investigation rig with 1461 working hours SPT hammer Mast capacity: Pull down 1000kgf, Pull back 7000kgf 1300mm stroke Swing out pullback ring Swing out drive hammer ...

Dynamic Windowless Sampling is useful for undertaking both environmental and geotechnical site investigations. Our Windowless Sampler (Dando Terrier) can carry out disturbed and ...

Premier Plant Engineering, manufacturers of ground drilling rigs & equipment. &lt;br /&gt;Premier 110 & 210 series drill rig for dynamic probing & soil sampling and ...

Discover the diverse range of drilling rigs at GA Site Investigation Ltd in Guisborough. From rotary to sonic rigs, we provide reliable and efficient solutions for all your geotechnical and ...

DANDO Terrier Legacy - A rig that has stood the test of time, defying the daunting task of operating within small spaces. Constantly challenging the status quo, to test the strength and durability ...

## Terrier drill rig

The Dando Terrier is a tried and tested model, at home inside domestic properties and industrial premises as it is on remote hillsides and highway sites. Transportable by van or trailer ...

Discover the diverse range of drilling rigs at GA Site Investigation Ltd in Guisborough. From rotary to sonic rigs, we provide reliable and efficient ...

Dando Terrier 2002 Background: The Terrier is a small track-mounted soil sampling rig designed to carry out rapid, relatively shallow ground ...

Dando supply a wide range of drilling tools and consumables including rods, casing, drill bits, drilling fluids and more.
