

The weight of a speedstar 71 drill rig

How much does a Speedstar rig weigh?

These numbers are all without drilling tools -- just the rig and wire lines. A Speedstar 55 mounted on a semi- or full-trailer weighed about the same as a 20W. A Speedstar 71 on a full-trailer would weigh in at close to 12,000 pounds. I have seen all of these rigs mounted on trailers operating in Michigan, but not very many of them.

What engine does a Speedstar 71 use?

This Speedstar 71 cable tool drilling rig is mounted to a 1982 Ford Cabover with 3208 engine. The back engine is a 4-cyl Ford industrial.

Where is the Speedstar 71 cable tool rig located?

This seller has been contacted 39 times in the last week. - Located In Midwestern Region, USA. Status: Available, - Speedstar 71 Cable Tool Rig - 3-Line Machine - Diesel Engine On Deck - 100% Working Order - Currently Drilling -...

How much does a Speedstar weigh?

A 22W mounted on a semi-trailer with enough line to drill to 650 feet weighed just under 11,000 pounds. These numbers are all without drilling tools -- just the rig and wire lines. A Speedstar 55 mounted on a semi- or full-trailer weighed about the same as a 20W. A Speedstar 71 on a full-trailer would weigh in at close to 12,000 pounds.

Are Speedstar rigs mounted on trucks?

Speedstar provided some competition with the 55s and the 71s. Just about all these rigs mounted on trucks. Both companies, Bucyrus-Erie and Speedstar, offered trailer mountings. Bucyrus-Erie, oddly, offered only a single-axle semi-trailer mounting, while Speedstar offered both single- and double-axle full-trailers.

How much does a trailer rig weigh?

Trailer-mounted rigs were considerably heavier than their truck-mounted companions. For instance, a 20W Bucyrus-Erie mounted on a semi-trailer with enough wire line to drill to 400 feet weighed about 7,500 pounds. A 22W mounted on a semi-trailer with enough line to drill to 650 feet weighed just under 11,000 pounds.

A Speedstar 71 on a full-trailer would weigh in at close to 12,000 pounds. I have seen all of these rigs mounted on trailers operating in ...
