

Track mounted drill rig

What is a track mounted drill rig?

Geotech operates a fleet of track mounted drill rigs throughout our operations. Outfitted with a track system, these rigs are perfect for difficult access locations, where access conditions are difficult. Our track rigs have been designed to service many industry sectors including; construction, mining, oilfield, dams, and pipeline investigation.

What is a track rig?

Our track rigs have been designed to service many industry sectors including; construction, mining, oilfield, dams, and pipeline investigation. The track rigs are also multidimensional and can complete an array of drilling methodologies, including; rotary air blast, diamond coring, air coring, mud rotary, reverse circulation and bulk sampling.

Why should you invest in Geoprobe® track drill rigs?

Engineered with versatility and ease in mind, investing in Geoprobe® track drill rigs provides efficient success off the beaten path by nimbly maneuvering you to remote sites while diversifying drilling and sampling options all with a single track mounted drill rig. Don't see a feature you're looking for on your track drill rigs? Give us a call

What is the most powerful drill rig?

Made with quality materials, the KmN 1.4sm is one of the most powerful drills available while still weighing under 25,000lbs. Track-mounted and available with either rubber or metal tracks, the KmN 1.4sm can go anywhere you need. Not only is the KmN 1.4sm a versatile and powerful drill rig, it's also safer for operators.

What is the best drill for borehole drilling?

For Drilling deeper borehole targets such as H or P the Versa-Drill KMB 1.4S is an ideal machine. It can reach depths of 2150 meters with N or 1520 meters with H. The Versa-Drill is mounted on a rubber track Marooka MTS 2500 so it leaves a very minimal ground disturbance and is efficient at moving to new sites.

How can I get a quote for an Acker drill rig?

To request a quotation for an Acker drill rig, contact an Acker representative at 800-752-2537 or e-mail at sales@ackerdrill.com. In stock and ready for delivery is a 2018 Acker REBEL Track-Mounted Drill Rig.

Looking for a VersaDrill Canada rig for sale or rent? VersaDrill is the leader in hydraulic drilling rigs. Find the best track mounted drill rig at Rig Source.

Track mounted, Mach IV Sherman tank undercarriage, 6V71 Detroit diesel engine, 600/120 air compressor, operator's cab, rod box, pipe, bits, tools etc., sitting since 2019 but running when ...

Track mounted drill rig

West Core Drilling Equipment LF90Ds Track-Mounted Rigs Rig Specs: 2 to 5 - Track-Mounted LF90Ds The set-up of these rigs has a very small footprint - their static footprint is just 2.5m x ...

CME 75 Drill Rig The CME 75 drill rig is one of CME's larger drill rigs. This unit is known for conquering larger jobs requiring deeper drilling depths or bigger ...

Direct Push 5410 Drill Rig Carry tools and probe in one carrier vehicle with optional enclosure to stock field supplies on the 5410 truck mounted drill rig.

From crowded street corners to far removed places, tackle various environmental, geotechnical and exploration applications with a single machine combining ...

China Track Mounted Drill Rig catalog of 300m Track Mounted Borehole Drilling Machine, Wholesale 300m/400m/600m Hydraulic Crawler Small Drill Deep Water Well Drilling Rig with ...

Drill rigs and mineral exploration drilling equipment for CME rubber tire ATV, truck, track carrier, trailer and skid mounted geotechnical drilling rigs.

We carry an extensive line up of track-mounted and truck-mounted rental drill rigs as well as crawler carriers and support equipment. Our rental drill rigs are ...

When drilling in environmentally sensitive areas, drills mounted on rubber track carriers can prove beneficial. They have a very low ground disturbance and ...

The 72 inch (183 cm) stroke, vertical drive system has twin hydraulic cylinders mounted in line with the drill spindle so that pulldown and retract forces are ...

Engineered with versatility and ease in mind, investing in Geoprobe® track drill rigs provides efficient success off the beaten path by nimbly maneuvering you to remote sites while ...

Geotechnical drill for augering, mud rotary, SPT, Shelby tubes, and rock coring. Geotechnical drilling rigs for sale also easily push CPT or direct push tools.

The Geoprobe 7822DT is a midsize, track-mounted drill rig that offers superior versatility and maneuverability in tight spaces. This rig is designed to handle a ...

Stroke: 36 inch (91.4 cm) 850X Features | 850X Specifications | 850X Optional Equipment Performance ratings are based on engineering specifications, ...

DA Smith's CME-55 drilling fleet includes versatile, self-contained vertical and angle-capable geotechnical rigs capable of both auger and core drilling. All ...

Track mounted drill rig

Twin hydraulic fuel cylinders mounted in line with the drill spindle gives precise control of force on the drilling tools. For exceptional drilling efficiency, the feed system has two separate controls ...

Our Trekker 2100 drill rigs are a top-performing solution for businesses seeking a medium-duty drilling rig. This versatile drill rig can be mounted on crawler ...

CME offers a range of track carrier mounted drill rigs for various applications and terrains. Learn about the features, specifications and optional equipment of ...

The GEO Line includes compact sized hydraulic drilling rigs Australia mounted on rubber or steel crawler tracks and covering the full spectrum of geotechnical activities, such as soil ...

Ranging in size from small, limited access drilling rigs to large platform/big performance sonic drilling rigs, our drill rigs cover a range of applications.

The Versa-Drill is mounted on a rubber track Marooka MTS 2500 so it leaves a very minimal ground disturbance and is efficient at moving to new sites. Lining ...

CME - Auger drill rigs and drilling equipment for the geotechnical, environmental, mineral exploration, and construction industries.

This rig is ideal for a variety of geotechnical and environmental drilling projects. The MS-75 features a compact, low impact design, powerful 160 HP Cummins diesel, rod handler, and a ...

Our Trekker 2100 drill rigs are a top-performing solution for businesses seeking a medium-duty drilling rig. This versatile drill rig can be mounted on crawler track vehicles and trucks with a ...
