

Track mounted drill rigs

Ranging in size from small, limited access drilling rigs to large platform/big performance sonic drilling rigs, our drill rigs cover a range of applications.

Atlantic Caisson offers a variety of specialized equipment for various drilling needs in straight shaft, belled shaft and slurry procedures; including Self ...

Outfitted with a track system, these rigs are perfect for difficult access locations, where access conditions are difficult. Our track rigs have been designed to ...

This Mechanical Drill Rig is mounted directly on a tracked carrier enabling easy access to off road locations. Our new B57 track mounted unit meets our customers demands to access sites that ...

The Geoprobe 6712DT is a compact, track-mounted drill rig designed for projects requiring limited access and mobility in confined spaces. Its flexibility makes it ...

The 72 inch (183 cm) stroke, vertical drive system has twin hydraulic cylinders mounted in line with the drill spindle so that pulldown and retract forces are applied directly to the drilling tools. ...

And at just 8 feet, 3 inches (2.5 m) in transit mode, the 850X is commonly as much as two feet shorter than drills mounted on similar track carriers. ...

Explorer - Track Mounted RC Drill MPP's largest RC drill, the Explorer was developed for large diameter, deep hole RC (reverse circulation) drilling. The ...

DA Smith's CME-55 drilling fleet includes versatile, self-contained vertical and angle-capable geotechnical rigs capable of both auger and core drilling. All ...

This Mechanical Drill Rig is mounted directly on a tracked carrier enabling easy access to off road locations. Our new B57 track mounted unit meets our ...

Track mounted, Mach IV Sherman tank undercarriage, 6V71 Detroit diesel engine, 600/120 air compressor, operator's cab, rod box, pipe, bits, tools etc., ...

Track Mounted Drilling Rigs Our track mounted drill rigs are strong, powerful machines capable of drilling large diameter shafts/caissons. The torque and ...

Geotechnical drill for augering, mud rotary, SPT, Shelby tubes, and rock coring. Geotechnical drilling rigs for

Track mounted drill rigs

sale also easily push CPT or direct push tools.

The Geoprobe 7822DT is a midsize, track-mounted drill rig that offers superior versatility and maneuverability in tight spaces. This rig is designed to handle a ...

Aligning the augers or rods when making connections is easy, or if the bit drifts off at an angle when starting a hole, you can quickly straighten it to a vertical position. Since the upright and ...

Drill rigs and mineral exploration drilling equipment for CME rubber tire ATV, truck, track carrier, trailer and skid mounted geotechnical drilling rigs.

Our collection of all terrain tracked vehicles includes tracked digger derricks, tracked drill rigs, and more. Contact us to learn more about buying or renting!

Rig Specs: 2 to 5 - Track-Mounted LF90Ds The set-up of these rigs has a very small footprint - their static footprint is just 2.5m x 3.5m (compared to 3m x ...

The GEO Line includes compact sized hydraulic drilling rigs Australia mounted on rubber or steel crawler tracks and covering the full spectrum of geotechnical activities, such as soil ...

SEISMIC RIGS (Ref#11177R) 2 available (1 for parts), track mounted, set up for air, water and auger, water tank built into rig, set up for low impact seismic Price on request ...

Atlantic Caisson offers a variety of specialized equipment for various drilling needs in straight shaft, belled shaft and slurry procedures; including Self Contained Track Mounted, Truck ...

We carry an extensive line up of track-mounted and truck-mounted rental drill rigs as well as crawler carriers and support equipment. Our rental drill rigs are ...

The 72 inch (183 cm) stroke, vertical drive system has twin hydraulic cylinders mounted in line with the drill spindle so that pulldown and retract forces are ...

The harsh Australian environment is no match for our track mounted drill rigs. We have multiple, top-of-the-line, track mounted drill rigs and track mounted ...

R-57 Eijkelkamp MRS XL MAX DUO, Track Sonic Rig This rig has the capability to drill to depths greater than 60 meters. The R-57 is mounted on a Fraste rubber-tracked carrier, which ...

LoDril HT Mounted on a Hitachi 230LC Track width: 11" 1" Track length: 15" 3" Cab height: 9" 8" Drill height: 20" 4" Reach from front of tracks: 12" Overhang from ...

Track mounted drill rigs

Looking for a VersaDrill Canada rig for sale or rent? VersaDrill is the leader in hydraulic drilling rigs. Find the best track mounted drill rig at Rig Source.

CME track drills 45C/300, 55/300, 55LC/300, 55LCX/300, 850X, 850XR are efficient auger, core, rotary rigs for geotechnical, environmental, mineral exploration.

Remote control track drive allows this machine to climb hills, traverse mud, sand, rocks and snow all while the operator's feet are planted firmly on the ground.
